**Discussion Paper for FY 2008-09**  
**S.C. Critical Needs Nursing Initiative Act**

Please find attached a discussion paper related to the S.C. Critical Needs Nursing Initiative Act.

Its primary purpose is to begin discussion about an appropriate methodology for distributing the \$1 million in salary supplement funding for FY 2008-09, which we expect to be a recurring appropriation.

In addition, staff has compiled a number of additional data sets that are included here to help inform discussion about nursing initiatives.
