

SCSU REVISED MISSION STATEMENT

South Carolina State University (SCSU), an 1890 land-grant senior comprehensive institution of approximately 4,500 – 8,000 students, is committed to providing affordable and accessible quality baccalaureate programs in the areas of business, applied professional sciences, mathematics, natural sciences, engineering, engineering technology, education, arts, and humanities and programs at the master's, educational specialist, and doctoral levels. SCSU — through technology and traditional methods of teaching and learning, research, and service— contributes to the economic development of the state and nation, enhances the quality of life of citizens, and prepares highly skilled, competent and socially aware graduates to enable them to work and live productively in a dynamic, global society.

Approved by the South Carolina State University Board of Trustees on April 27, 2006.
