Information Report on Staff-Approved Mission Statement Changes

In keeping with the Commission's *Policy and Procedures for Approval of New or Revised Mission Statements*, Commission staff has reviewed proposed mission statement revisions from the following institution since August 2010:

Horry-Georgetown Technical College

The proposed changes were determined to be minor as defined by the policy, which reads "Minor revisions are those revisions which do not change the nature, function, type, or sector of the institution. Examples include revisions for clarity and grammar, changes in size, CHE-approved changes in program mix, board-approved name changes, and editorial changes." As such, the proposed changes were considered and approved at the staff level.
