Dear Dr. Woodfaulk:

As we discussed earlier this week on the phone, CERRA submitted a revised budget to the Education Oversight Committee after we sent our reports to the Commission on Higher Education. Attached is the new budget for the CHE report; it replaces pages 10 through 12.

CERRA has added to its goals a pilot plan to research minority recruitment strategies in an effort to enhance our programs along the I-95 corridor to target the recruitment of African-American males into the teaching profession. We have increased the budget in the amount \$46,400 for clerical assistance, mentoring stipends, supplies, technology, travel and professional development for teachers and mentors.

Please let me know if I may answer any questions about the revised budget or the report. My office phone number is 803.323.4032 x6411.

Sincerely,
Gayle Sawyer
