From: Ms. Cynthia Mosteller, Chair, and Members
Committee on Access & Equity and Student Services

Palmetto Fellows Scholarship and Palmetto Fellows Scholarship Program, LIFE Scholarship and LIFE Scholarship Enhancement Program, SC HOPE Scholarship Program, SC Need-based Grant Program and the Lottery Tuition Assistance Program

Proposed Regulatory Amendments for the 2011-12 Academic Year

The Commission on Higher Education staff proposes amendments to the regulations for the Palmetto Fellows Scholarship and Palmetto Fellows Scholarship Program, LIFE Scholarship and LIFE Scholarship Enhancement Program, SC HOPE Scholarship Program, SC Need-based Grant Program and the Lottery Tuition Assistance Program. Act 280, the SC Illegal Immigration Reform Act, was approved during the 2008 legislative session and must be incorporated into the regulations. To assist the higher education community with carrying out the mandates of the act, CHE convened the Illegal Immigration Reform Act Committee. The Committee met throughout the months of September and October during 2008 to develop a recommended process for verification of a student's lawful presence in the United States. The proposed language incorporates key definitions and mandates from Act 280. In addition, CHE is adding proposed language to the existing regulations to ensure that when higher education institutions are offering financial aid incentive packages to students, the state's contribution to the award is recognized as a separate part of the package. These legislative and policy changes may affect a student's eligibility for the 2011-12 academic year.

The South Carolina Association of Financial Aid Administrators' CHE Advisory Committee met on March 5, 2010, and provided their suggestions and comments about the proposed regulations. The proposed regulations were also e-mailed to the financial aid officers at all public and independent institutions via their listserv and their input was requested. CHE staff also presented the proposed changes to the regulations at the annual SCASFAA conference on April 14-16 of this year. The recommendations from the financial aid community were incorporated into the proposed regulations.

The Access & Equity and Student Services Committee of CHE met on June 3, 2010, and approved the proposed amendments to the regulations for the each of the State scholarship and grant programs. The Commission on Higher Education met on September 2, 2010, and approved the proposed regulations.

A public hearing regarding the proposed regulations was held on November 4, 2010 at the Commission on Higher Education, in accordance with the Administration Procedures Act. In addition, the SC State Board for Technical and Comprehensive Education staff provided CHE with suggested language, which was incorporated into the proposed regulations.

All proposed deletions are stricken, and all new language is underlined in the attached regulations.

Recommendation

The Committee on Access & Equity and Student Services recommends that the SC Commission on Higher Education approve the proposed amendments to the regulations for the Palmetto Fellows Scholarship and Palmetto Fellows Scholarship Program, LIFE Scholarship and LIFE Scholarship Enhancement Program, SC HOPE Scholarship Program, SC Need-based Grant Program and the Lottery Tuition Assistance Program. If approved by the Commission on Higher Education, the proposed regulations will be submitted to the General Assembly.

62-300. Purpose of the Palmetto Fellows Scholarship and Scholarship Enhancement.

A. Pursuant to Act 458 and amended by Act 95 and Act 162 in 2005, the Commission on Higher Education shall promulgate regulation and establish procedures to administer the Palmetto Fellows Scholarship Program. The General Assembly established the Palmetto Fellows Scholarship Program to foster scholarship among the State's postsecondary students and retain outstanding South Carolina high school graduates in the State through awards based on scholarship and achievement. The purpose of the Palmetto Fellows Scholarship Program is to recognize the most academically talented high school seniors in South Carolina and to encourage them to attend eligible colleges or universities in the State. A secondary purpose is to help retain talented minority students who might otherwise pursue studies outside the State.

B. Pursuant to Act 115 and amended by Act 235 in 2008, the Commission on Higher Education shall promulgate regulation and establish procedures for administration of the Palmetto Fellows Scholarship Enhancement. The General Assembly established the Palmetto Fellows Scholarship Enhancement in order to foster scholarship among the State's postsecondary students through awards based on scholarship and achievement. The purpose of the Palmetto Fellows Scholarship Enhancement Program is to recognize the most academically talented college students throughout the state of South Carolina in the areas of mathematics and science and encourage them to attend eligible colleges or universities in the State. In order to receive a Palmetto Fellows Scholarship Enhancement, all students must qualify for a Palmetto Fellows Scholarship as stipulated herein.

C. Independent and public institutions of higher learning in this or any other state in the U.S., outside the U.S. or abroad are prohibited from using the Palmetto Fellows Scholarship in programs that promote financial aid incentives or packages. Any mention of the Palmetto Fellows Scholarship in these financial aid packages must indicate the scholarship to be separate from the University that is offering the financial aid package, and reference the Palmetto Fellows Scholarship as a separate financial aid award, provided to the student by the State of South Carolina.

62-305. Allocation of Program Funds.

A. Funds made available for higher education grants and scholarships under Chapter 143 of Title 59 of the 1976 Code, as amended under Act 458, South Carolina Children First: Resources for Scholarship and Tuition Act of 1996, shall be included in the annual appropriation to the Commission on Higher Education. Fifty percent of the appropriation shall be designated for the Palmetto Fellows Scholarship Program and the remaining fifty percent shall be for the Need-based Grants Program. However, in instances where the equal division of the appropriated funds between the Palmetto Fellows Scholarship and Need-based Grants Programs exceeds the capacity to make awards in either program, the Commission on Higher Education has the authority to re-allocate the remaining funds between the two programs. ~~The Commission on Higher Education shall award to eligible students attending eligible independent or public institutions as Palmetto Fellows Scholarships as follows:~~

~~1. Of the funds allocated to public institutions, the percentage shall be equivalent to the percentage of the public institution's share of the total South Carolina resident undergraduate full-time headcount enrollment in the preceding year.~~

~~2. Of the funds allocated to independent institutions, the percentage shall be equivalent to the percentage of the independent institutions' share of the total South Carolina resident undergraduate full-time headcount enrollment in the preceding year and will be determined annually by the South Carolina Commission on Higher Education and the Tuition Grants Commission.~~

B. Under the South Carolina Education Lottery Act, a designated amount shall be allocated for Palmetto Fellows Scholarships and shall be included in the annual appropriation to the Commission on Higher Education.

C. After expending funds appropriated for Palmetto Fellows Scholarships from all other sources, there is automatically appropriated from the general fund of the State whatever amount is necessary to provide Palmetto Fellows Scholarships to all students meeting the requirements of Section 59-104-20.

D. The Palmetto Fellows Scholarship Enhancement is contingent upon the availability of funds appropriated by the General Assembly each academic year.

High school officials must certify each eligible applicant's signature form. Students who are enrolled at out-of-state high schools are personally responsible for contacting the Commission on Higher Education about the application process and must adhere to the same established deadline(s).

B. The high schools and home school associations must submit a list to the Commission on Higher Education indicating the names of all students who meet the eligibility criteria at their high school. The list should indicate whether the student is submitting a completed application or declining the opportunity to apply. If the student declines the opportunity to apply, the high school will submit a form for each of these students, signed by both the student and the parent/guardian and indicating the reason(s) for not submitting an application. Students who decline to apply for the Scholarship forfeit any future eligibility under this Program.

C. Applications for early awards must be submitted to the Commission on Higher Education for the Palmetto Fellows Scholarship by the date established in December each academic year. Students must meet one of the following set of academic criteria in order to be eligible to apply for the early awards (students cannot use the early awards criteria to apply during the ~~final~~ late awards):

1. Score at least 1200 on the SAT or 27 on the ACT through the November test administration of the senior year; earn a minimum 3.50 cumulative GPA on the ~~2007~~ current SC Uniform Grading Policy (UGP) at the end of the junior year; and rank in the top six percent of the class at the end of either the sophomore or the junior year; or

2. The alternate criteria of a Score at least 1400 on the SAT or 32 on the ACT through the November test administration of the senior year and earn a minimum 4.00 cumulative GPA on the UGP at the end of the junior year, without regard to class rank.

3. High schools or home school associations that do not rank as an official policy; or high schools whose grading policy deviates from the current SC Uniform Grading Policy and do not convert the graduating class grades to the current SC UGP to determine class rank, must use the alternate criteria of meeting the academic requirements for the Palmetto Fellow Scholarship.

4. High schools or home school associations shall not use ranking for the sole purpose of obtaining eligibility for the state scholarships.

D. Applications for ~~final~~ late awards must be submitted to the Commission on Higher Education for the Palmetto Fellows Scholarship by the date established in June each academic year. Students must meet one of the following set of academic criteria in order to be eligible to apply for the ~~final~~ late awards:

1. Score at least 1200 on the SAT or 27 on the ACT through the June test administration of the senior year; earn a minimum 3.50 cumulative GPA on the UGP at the end of the senior year; and rank in the top six percent of the class at the end of the sophomore, junior or senior year; or

2. Score at least 1400 on the SAT or 32 on the ACT through the June test administration of the senior year and earn a minimum 4.00 cumulative GPA on the UGP at the end of the senior year, without regard to class rank.

3. High schools or home school associations that do not rank as a policy; or high schools whose grading policy deviates from the current SC Uniform Grading Policy and that do not convert the graduating class grades to the current SC UGP to determine class rank, must use the alternate criteria of meeting the academic requirements for the Palmetto Fellow Scholarship.

4. High schools or home school associations shall not use ranking for the sole purpose of obtaining eligibility for the state scholarships.

E. Students must have official verification that they earned the requisite score on the SAT ~~or an equivalent ACT score. The Commission on Higher Education shall convert all ACT scores to the equivalent SAT scores.~~ In order to determine the minimum composite score for the SAT, students must use the highest Math score combined with the highest Critical Reading score. However, students cannot use the Writing subsection score to meet the minimum SAT score requirement. In order to determine the minimum composite score for the ACT, students must use the highest composite score based upon one test administration.

F. Grade point averages must be based on the ~~2007~~ current SC Uniform Grading Policy, reported with at least two decimal places, and may not be rounded up.

G. Class rank must be based on the SC Uniform Grading Policy using diploma candidates only. Class rank is determined at the end of the sophomore, junior and senior years (not the beginning of the next school year) before including any summer school coursework or including any students who transfer into your high school after the school year ended in May/June. Students cannot be removed from the class because they did not meet the eligibility criteria to apply, declined to apply, are not residents of the State, do not meet citizenship requirements, plan to attend college out-of-state, etc. The class rank information must include all students who attended your high school that school year.

H. The number of students included in the top six percent of the class will be the next whole number if the top six percent is not already a whole number. For example, a class size of 185 students would include the top twelve students since 11.1 rounds up to twelve. For those high schools with fewer than twenty students in the class, the top two students (students ranked as number one and two) shall be considered for the Scholarship regardless of whether they rank in the top six percent of the class. These students must meet all other eligibility criteria.

I. In order to apply for the Palmetto Fellows Scholarship using rank as one of the eligibility criteria, home school students must be a member of an approved home school program (as defined in relevant State Statute) that provides an official class rank for their members. The home school association must submit a rank report on the association's letterhead that includes the class rank and GPA based on the ~~2007~~ current SC Uniform Grading Policy for all home school students in the applicant's class. If a home school student is unable to obtain rank verification, he/she may also be eligible to apply using the alternative criteria of scoring at least 1400 on the SAT (or 32 on the ACT) and earning a minimum 4.00 cumulative GPA on the UGP, without regard to class rank. These students must meet all other eligibility criteria.

J. For schools or home school associations that do not rank as an official policy, students must use the alternate criteria to meet eligibility requirements for the Palmetto Fellows Scholarship.

K.J. For the purposes of meeting the rank criterion, the existing high school rank of a South Carolina resident attending an out-of-state high school may be used, provided it is calculated pursuant to a state-approved, standardized grading scale at the respective out-of-state high school. If the Commission on Higher Education determines that a state-approved standardized grading scale substantially deviates from the S.C. Uniform Grading Scale, the state-approved, standardized grading scale shall not be used to meet the eligibility requirements for the Palmetto Fellows Scholarship. The guidance counselor from the out-of-state preparatory school also has the option of converting the cumulative GPAs of all students in the applicant's class to the current SC UGP to determine if the student ranks within the top six percent of the class and must provide a ranking report that identifies all students in the applicant's class and their respective GPA's based on the SC UGP. When converting scores to the SC UGP, weighting must adhere to the SC UGP (i.e. honors no more than .50 and AP/IB no more than 1.0). In addition, scores/grades must correspond to the SC UGP. For example, if a student earned a 90 in an honors class, the conversion of the scores/grades must be equivalent to the points assigned according to the current SC UGP. To be considered equivalent, the out-of-state school's grading scale must adhere to the following minimum requirements:

1. Must include all courses carrying Carnegie units, including units earned at the middle school and high school level;
2. To be equivalent to an "A" letter grade, the numerical average must be ≥ 93 ; to be equivalent to a "B" letter grade the numerical average must be between 85 and 92; to be equivalent to a "C" letter grade the numerical average must be between 77 and 84; to be equivalent to a "D" letter grade the numerical average must be between 70 and 76; and to be equivalent to a "F" letter grade the numerical average must be between 62 and 69 (if a course with a numerical average of < 62 is considered passing by the high school the student earned the grade, then a 73 numerical average should be given);
3. Cannot add more than one half (.50) additional quality point for honors courses; cannot add more than one additional quality point for dual enrollment (DE) courses, Advanced Placement (AP) courses, and standard level International Baccalaureate (IB) courses; and, cannot add more than two additional quality points for higher level IB courses;
4. Must classify all other courses as College Preparatory if they are not already classified as honors, DE, AP or IB. For a class to be classified as honors, the course must be in English, mathematics, science or social studies or be the third/fourth level for all other content areas; and
5. If no numerical average is available, all letter grades must be converted to the equivalent numerical average based on the following: all "A" letter grades must be converted to a 96 numerical average, all "B" letter grades must be converted to a 88 numerical average, all "C" letter grades must be converted to a 80 numerical average, all "D" letter grades must be converted to a 73 numerical average, and all "F" numerical averages must be converted a 61 numerical average.

L.K. Students who attend out-of-state preparatory high school may also be eligible to apply by using the alternative criteria of scoring at least 1400 on the SAT (or 32 on the ACT) and earning a minimum 4.00 cumulative GPA on the current SC Uniform Grading Policy. The student's guidance counselor must convert the student's grades to the UGP to determine if the student meets the GPA requirement. These students must meet all other eligibility criteria, including South Carolina residency requirements.

62-325. Palmetto Fellows Scholarship Selection Process.

A. The Commission on Higher Education will notify students of their selection as a Palmetto Fellow along with the terms and conditions of the award.

B. Students who have met the academic requirements of the Scholarship. In order to accept the Scholarship, students must return a form to the Commission that designates an eligible four-year independent or public institution in which they plan to enroll by the date established by the Commission on Higher Education. The Palmetto Fellows Scholarship will only be awarded to those students who have a lawful presence in the United States and have been identified as a SC resident at the time of initial college enrollment.

C. Visually impaired, hearing impaired or multi-handicapped students who qualify for the Scholarship may use the Palmetto Fellows Scholarship to attend a four-year out-of-state institution that specializes in educating students with their impairment upon receiving prior approval from the Commission on Higher Education. The Commission on Higher Education shall make the final decision whether an out-of-state institution specializes in the postsecondary education of visually impaired, hearing impaired or multi-handicapped students.

D. The Commission on Higher Education shall ensure that there is equitable minority participation in the Program.

62-330. Policies and Procedures for Awarding the Palmetto Fellows Scholarship and the Palmetto Fellows Scholarship Enhancement.

A. The institution will identify award amounts, which cannot exceed:

The maximum amount awarded shall not exceed the cost-of-attendance as established by Title IV Regulations for any academic year.

C. Students who change their major from an ineligible degree program to an eligible degree program during the same academic year cannot be awarded the Palmetto Fellows Scholarship Enhancement until the next academic year. Additionally, students who change their major from an eligible degree program to an ineligible degree program during the same academic year will retain their Palmetto Fellows Scholarship Enhancement eligibility for the remainder of the current academic year.

D. Charges for room and board are to be limited as follows:

1. Room charges shall not exceed the average cost of on-campus residential housing; and

2. Board charges shall not exceed the cost of the least expensive campus meal plan that includes 21 meals per week.

E. In determining the amount awarded for the Palmetto Fellows Scholarship and the Palmetto Fellows Scholarship Enhancement, all other sources of gift aid, including federal, State, private and institutional funds, must be applied to the unmet cost-of-attendance ~~in accord with Title IV regulations~~ before calculating the Scholarship and Enhancement amounts and making the award. Adjustments to the financial aid package will be made to the Palmetto Fellows Scholarship and the Palmetto Fellows

Scholarship Enhancement in accordance with prescribed Title IV regulations in order to prevent an over-award.

F. Although a student may be named a Palmetto Fellow, the student may not receive a monetary award, if the award when combined with all other sources of gift aid would cause the student to receive financial assistance in excess of the student's cost-of-attendance as defined by Title IV regulations and the guidelines contained herein.

G. Eligible four-year independent and public institutions will notify students of their award along with the terms and conditions.

H. Effective Fall 2008, Section 59-101-430 (A), Chapter 101, Title 59 of the 1976 Code states that unlawful aliens are prohibited from attending SC Public institutions of higher learning. This does apply to students who are currently enrolled, as well as new enrollees. In accordance of this law, institutions must institute a process that verifies an individual's lawful presence in the United States. This process must verify any alien's immigration status with the federal government. Students receiving the Palmetto Fellows Scholarship and the Palmetto Fellows Scholarship Enhancement must be verified. Any student that is not verified and documented by the institution will not receive the Scholarship.

I. All eligible independent and public institutions that participate in the program must verify the lawful presence in the US of any student who receives a Palmetto Fellows Scholarship and the Palmetto Fellows Scholarship Enhancement prior to awarding the Scholarship to the student. When verifying the lawful presence of an individual, institutional personnel shall not attempt to independently verify the immigration status of any alien, but shall verify any alien's immigration status with the federal government pursuant to 8 USC Section 1373(c).

J.H. The institution must retain annual paper or electronic documentation for each award to include at a minimum:

1. Institutional Student Information Record (ISIR) or affidavit documenting that the student is not in default or does not owe a refund on any state or federal financial aid
2. Affidavit documenting that the student has never been convicted of any felonies and has not been convicted of any second or subsequent alcohol/drug-related misdemeanor offense within the past academic year as stated under "Initial Eligibility" and "Duration and Renewal of Awards" Sections
3. Award notification
4. Institutional disbursements to student

11. Verification student met fourteen credit hour requirement at the end of the first year of college enrollment for the 2007-08 freshman class and thereafter (Palmetto Fellows Scholarship Enhancement purposes only)

12. Verification from academic department of enrollment in a declared major in an eligible degree program (Palmetto Fellows Scholarship Enhancement purposes only).

13. Verification from the institution that lawful presence in the US, and has been verified.

K. It is the institution's responsibility to ensure that only eligible students receive the Palmetto Fellows Scholarship and the Palmetto Fellows Scholarship Enhancement.

L. The student shall be required to provide a nationally recognized unique identifier in order for the institution to award, disburse, and/or transfer the student's state scholarship and/or grant to an eligible institution.

62-335. Duration and Renewal of Awards.

A. The Palmetto Fellows Scholarship and Palmetto Fellows Scholarship Enhancement where applicable shall be initially awarded for one academic year. The institution shall adjust the amount of the Scholarship and Enhancement awards during the academic year in the event of a change in the student's eligibility.

B. Students selected as Palmetto Fellows must enter an eligible four-year independent or public institution the fall term immediately following high school graduation. Students must be continuously enrolled at an eligible four-year institution. Students with a break in continuous full-time enrollment at a four-year institution or initially enrolling at a two-year institution the fall term after high school graduation will forfeit the scholarship.

C. A Palmetto Fellows Scholarship may be renewed annually for no more than a total of eight terms (based on the date of initial college enrollment) toward the first bachelor's degree or a program of study that is structured so as not to require a bachelor's degree and leads to a graduate degree or for no more than a total of ten terms (based on the date of initial college enrollment) toward the first approved five-year bachelor's degree. D. The institution is responsible for obtaining institutional certification of each recipient's cumulative grade point average and annual credit hours for the purposes of determining eligibility for award renewal. For the Palmetto Fellows Scholarship Enhancement, the institution must also obtain verification from the academic department of enrollment in a declared major in an eligible degree program.

E. By the end of the spring term each academic year, the institution must notify all Palmetto Fellows who have not met the continued eligibility requirements for the next academic year. The notification should include information regarding the student's ability to attend summer school in order to meet the continued eligibility requirements.

F. The eligible four-year independent or public institution is responsible for reporting to the Commission on Higher Education credit hours earned at the home institution only. Transfer credit hours cannot be reported by the home institution.

~~G.F.~~ In order to retain eligibility for the Palmetto Fellows Scholarship after the initial year, the student must meet the following continued eligibility requirements:

1. Enroll and be continuously enrolled at an eligible four-year public or independent institution as a full-time, degree-seeking student at the time of Scholarship disbursement;

2. Earn at least a 3.0 cumulative GPA at the home institution for graduation purposes by the end of each academic year;

4. Certify each academic year that he/she has not defaulted and does not owe a refund or repayment on any federal or state financial aid. If the adjudication, conviction or plea occurs during the academic year after the student has already submitted a signed affidavit to the institution, the student will continue to be eligible for the remainder of the academic year. However, the student will be ineligible for the Scholarship for the following academic year of enrollment. For the purpose of meeting the fourteen credit hour requirement at the end of the student's first year, exempted credit hours (AP, CLEP, IB, etc), credit hours earned while in high school (dual enrollment), and credit hours earned during the summer session immediately prior to the student's date of initial college enrollment may be used. However, remedial coursework and continuing education coursework cannot be used to meet the fourteen credit hour requirement. Palmetto Fellows who were already enrolled in at least their second year in the 2007-2008 academic year only are not required to meet the fourteen credit hour requirement at the end of their first/freshman year.

~~I.H.~~ Any student who attempts to obtain or obtains a Palmetto Fellows Scholarship or Palmetto Fellows Scholarship Enhancement through means of a willfully false statement or failure to reveal any material fact, condition, or circumstances affecting eligibility will be subject to applicable civil or criminal penalties, including loss of the Palmetto Fellows Scholarship and Palmetto Fellows Scholarship Enhancement.

The home institution is responsible for funds according to the “Program Administration and Audits” Section.

C. D. For students enrolling in an internship, cooperative work program, travel study program, or National or International Student Exchange Program that is approved by the home institution but does not award full-time transfer credit for the entire academic year, renewal for the next academic year will be based on the prior year's eligibility. The student may continue to be eligible for up to the maximum terms of eligibility

based on the date of initial college enrollment (provided the student meets the continued eligibility requirements).

In order to maintain eligibility for the next academic year for students who only attend summer school, the student must earn at least twelve credit hours by the end of the academic year. 62-351. Military Mobilization.

A. Service members who are enrolled in college and are affected by military mobilizations will not be penalized for the term they are required to withdraw after the full refund period based on the institutional policies and procedures. Institutions are strongly encouraged to provide a full refund of required tuition, fees and other institutional charges or to provide a credit in a comparable amount against future charges for students who are forced to withdraw as a result of military mobilization. Additionally, the term(s) that the service member is mobilized will not count against the maximum terms of eligibility. The service member shall be allowed to receive the unused term(s) while mobilized during the succeeding summer term or at the end of the maximum terms of eligibility (provided the service member meets continued eligibility requirements). The service member must re-enroll in an eligible independent or public institution within twelve months upon their demobilization and provide official documentation to verify military deployment to the institutional Financial Aid Office upon re-enrollment. Reinstatement will be based upon the service member's eligibility at the time he/she was mobilized. If the service member re-enrolls after the twelve month period, the service member must submit an Appeal Application to the Commission on Higher Education by the established deadline in order to be considered for reinstatement.

B. Service members who are enrolled in college and are mobilized for a minimum of one academic year may be eligible the next academic year, if they met the continued eligibility requirements at the end of the last academic year of attendance. For purposes of the Palmetto Fellows Scholarship Enhancement, the home institution must also obtain certification from the academic department of enrollment in a declared major in an eligible degree program.

62-355. Appeals Procedures.

A. The Commission on Higher Education shall define the procedures for scholarship appeals.

B. A student who does not meet the continued eligibility criteria for renewal of the Palmetto Fellows Scholarship forfeits continued participation in the Program and may request an appeal based on extenuating circumstances.

C. A student is allowed to submit only one appeal each academic year.

D. A completed appeal's application must be filed with the Commission on Higher Education by the established deadline of the academic year the scholarship is requested. The student must provide a completed application for appeal, a letter requesting an appeal describing the extenuating circumstance, official transcripts from all prior institutions, and any other supporting documentation to substantiate the basis for the appeal. It is the responsibility of the student to ensure that all documents necessary to file an appeal are received at the Commission by the established deadline. Commission staff will not contact the student regarding missing or incomplete appeals documentation. Failure to submit a completed appeal's application by the required deadline(s) will result in forfeiture of the scholarship.

~~D. A student wishing to appeal any non-renewal decision based on extenuating circumstances must submit the following source documents to the Commission on Higher Education by no later than the established deadline of the academic year the scholarship is requested:~~

- ~~1. A completed application for appeal~~

62-1200.1 - 62-1200.75. Legislative Incentives for Future Excellence (LIFE) Scholarship & Legislative Incentives for Future Excellence (LIFE) Scholarship Enhancement

Synopsis:

The South Carolina Commission on Higher Education proposes the following revisions to Chapter 62 regulation, R.62-1200.1 through 62-1200.75, LIFE Scholarship Program. In 2008, the SC General Assembly passed the SC Illegal Immigration Reform Act, which required the verification of lawful status for all LIFE Scholarship recipients. The proposed regulation will ensure the LIFE Scholarship Program is compliant with the mandates of Act 280. The proposed regulation provides the eligibility criteria that students must meet in order to be awarded a LIFE Scholarship and a LIFE Scholarship Enhancement. In addition, the proposed regulation also provides the procedures that institutions must follow when determining students' eligibility and when disbursing LIFE Scholarship and LIFE Scholarship Enhancement funds to eligible students.

Instructions: Modify and replace in its entirety R.62-1200.1 through 62-1200.75 with the following.

1. Be a U.S. citizen or a legal permanent resident that meets the definition of an eligible non-citizen under State Residency Statutes whose lawful presence has been verified at the time of enrollment at the institution; and

2. Be a South Carolina resident for in-state purposes at the time of high school graduation and at the time of enrollment at the institution, as set forth by Section 59-112-10, and be either a member of a class graduating from a high school located in this State, or a student who has successfully completed at least three of the final four years of high school within this State, or a home school student who has successfully completed a high school home school program in this State in the manner required by law, or a student graduating from a preparatory high school outside this State, while a dependent of a parent or guardian who is a legal resident of this State and has custody of the dependent according to State Statute, Section 59-149-50A or a student whose parent or guardian has served in or has retired from one of the United States Armed Forces within the last four years, paid income taxes in this State for a majority of the years of service, and is a resident of this State. A student must be a legal permanent resident of the United States before being considered to be a South Carolina resident;

3. Meet two of the following three criteria if a first-time entering freshman at an eligible four-year institution:

a. Earn a cumulative 3.0 grade point average (GPA) based on the Uniform Grading ~~Scale~~ Policy (UGS) (UGP) upon high school graduation. No other grading policy will be allowed to qualify for the LIFE Scholarship. Grade point averages must be reported to two decimal places (minimum) and may not be rounded. For example, a student who earns a 2.99 GPA is not eligible. Institutions shall use the final GPA as reported on the official transcript.

b. Score at least an 1100 on the Scholastic Assessment Test (SAT) or an equivalent ACT score of 24. Test scores will be accepted through the June national test administration of the SAT and ACT during the year of high school graduation. The student must use the highest SAT Math score combined with the highest SAT Critical Reading score (formerly known as the Verbal score). It is permissible to select scores from different test administrations in order to obtain the qualifying composite score. Students cannot use the Writing subsection score to obtain the qualifying composite score. The composite ACT score must be based upon one test administration.

c. Rank in the top thirty percent of the graduating class consisting of high school diploma candidates only. The rank must also be based on the UGS-UGP only. Ranking percentages must be reported to two decimal places (minimum) and may not be rounded. For example, a student who has a class rank of 13 of 43 ($13/43 \times 100 = 30.23\%$) will not rank in the top thirty percent of the class since 30.23% is not within thirty percent. To determine the top thirty percent for graduating classes with three or less students, the student who is ranked number one in the class would be considered in the top thirty percent for LIFE Scholarship eligibility. Institutions shall use the final ranking as reported by the high school on the official transcript. If a student is a member of an approved home school association that ranks, a ranking report must be attached to the official transcript. High schools or home school associations that do not rank as a policy; or high schools whose grading policy deviates from the current SC Uniform Grading Policy and that do not convert the graduating class to the current SC UGP to determine class rank, must use the GPA and SAT or ACT criteria when attempting to meet the academic requirements for the LIFE Scholarship. High schools or home school associations shall not use ranking for the sole purpose of obtaining eligibility for the state scholarships.

d. For the purposes of meeting the rank criterion, the existing high school rank of a South Carolina resident attending an out-of-state high school may be used provided it is calculated pursuant to a state-approved, standardized grading scale at the respective out-of-state high school. If the eligible South Carolina ~~Commission on Higher Education~~ institution determines that a state-approved standardized grading scale substantially deviates from the S.C. Uniform Grading Policy (UGP), the institution must submit the grading scale to CHE for further review. If CHE confirms the out-of-state grading scale substantially deviates from the S.C. UGP, the state-approved, standardized grading scale shall not be used to meet the eligibility requirements for the LIFE Scholarship. When converting scores to the SC UGP, weighting must adhere to the SC UGP (i.e. honors no more than .50 and AP/IB no more than 1.0). In addition, scores/grades must correspond to the SC UGP. For example, if a student earned a 90 in an honors class, the conversion of the score/grade must be equivalent to the points assigned according to the current SC UGP. The guidance counselor from the out-of-state preparatory school also has the option of converting the cumulative GPAs of all students in the applicant's class to the S.C. UGP to determine if the student ranks within the top thirty percent of the class. To be considered equivalent to the SC ~~UGP~~ UGP, the out-of-state school's grading scale must adhere to the following minimum requirements:

(1) Must include all courses carrying Carnegie units, including units earned at the middle school and high school level;

(2) To be equivalent to an "A" letter grade, the numerical average must be ≥ 93 ; to be equivalent to a "B" letter grade the numerical average must be between 85 and 92; to be equivalent to a "C" letter grade the numerical average must be between 77 and 84; to be equivalent to a "D" letter grade the numerical average must be between 70 and 76; and to be equivalent to a "F" letter grade the numerical average must be between 62 and 69 (if a course with a numerical average of < 62 is considered passing by the high school the student earned the grade, then a 73 numerical average should be given);

(3) Cannot add more than one half (.50) additional quality point for honors courses; cannot add more than one additional quality point for dual enrollment (DE) courses, Advanced Placement (AP) courses, and standard level International Baccalaureate (IB) courses; and, cannot add more than two additional quality points for higher level IB courses;

(4) Must classify all other courses as College Preparatory if they are not already classified as honors, DE, AP or IB. For a class to be classified as honors, the course must be in English, mathematics, science or social studies or be the third/fourth level for all other content areas; and,

(5) If no numerical average is available, all letter grades must be converted to the equivalent numerical average based on the following: all "A" letter grades must be converted to a 96 numerical average, all "B" letter grades must be converted to a 88 numerical average, all "C" letter grades must be converted to a 80 numerical average, all "D" letter grades must be converted to a 73 numerical average, and all "F" numerical averages must be converted a 61 numerical average.

4. Earn a cumulative 3.0 grade point average (GPA) on the Uniform Grading Scale Policy upon high school graduation and score at least an 1100 on the Scholastic Assessment Test (SAT I) or an equivalent ACT score of 24 if a first-time entering freshman graduates from a non-ranking South Carolina high school, non-ranking South Carolina approved home school association or out-of-state preparatory high school and attends an eligible four-year institution;

5. Earn a cumulative 3.0 grade point average (GPA) upon high school graduation on the Uniform Grading Scale Policy if a first-time entering freshman at an eligible two-year or technical institution. No other grading policy will be allowed to qualify for the LIFE Scholarship. Grade point ratios must be reported to two decimal places (minimum) and may not be rounded. For example, a student who earns a 2.99 GPA is not eligible. Institutions shall use the final GPA as reported by the high school on the official transcript;

6. Be admitted, enrolled full-time, and classified as a degree-seeking student at a public or independent institution in South Carolina;

7. Certify that he/she has never been adjudicated delinquent, convicted, or pled guilty or *nolo contendere* to any felonies or any second or subsequent alcohol/drug related offenses under the laws of this or any other state or under the laws of the United States in order to be eligible for a LIFE Scholarship, except that a high school or college student otherwise qualified who has been adjudicated delinquent or has been convicted or pled guilty or *nolo contendere* to a second or subsequent alcohol or drug-related misdemeanor offense nevertheless shall be eligible or continue to be eligible for such scholarships after the expiration of one academic year from the date of the adjudication, conviction, or plea by submitting an affidavit each academic year to the institution. However, a high school or college student who has been adjudicated delinquent, convicted, or pled guilty or *nolo contendere* to a second alcohol/drug related misdemeanor offense is ineligible for the next academic year of enrollment at an eligible institution after the date of the adjudication, conviction or plea. If the adjudication, conviction, or plea occurs during the academic year after the student has already submitted a signed affidavit to the institution, the student will be eligible to receive the Scholarship the remainder of the academic year. However, the student will be ineligible for the Scholarship the following entire academic year of enrollment. If a student completes a pretrial intervention program and has his/her record expunged the conviction will not affect Scholarship eligibility; and

8. Certify that he/she has not defaulted and does not owe a refund or repayment on any federal or state financial aid. If a student has an Institutional Student Information Record (ISIR) or its equivalent on file, the ISIR information will be used to verify default status or refund/repayment owed on any Federal or State financial aid. Students who have not completed a Free Application for Federal Student Aid (FAFSA) must have an affidavit on file to verify that he/she is not in default and does not owe a refund or repayment on any Federal or State financial aid including, state grants/scholarships, Federal Pell Grant, Supplemental Educational Opportunity Grant, Perkins Loan and Federal Stafford Loan.

B. Any credit hours attempted or earned before high school graduation, hours exempted by examination, International Baccalaureate (IB) or Advanced Placement (AP) credit hours do not count against the terms of eligibility as provided in State Statute, Section 59-149-60. The credit hours earned before high school graduation can be used toward the credit hour requirement. Credit hours earned through CLEP, IB or AP will be used toward the credit hour requirement.

C. Service members of the United States Armed Forces will not be penalized for any credit hours earned while on active duty. The credit hours earned on active duty will not count against the terms of eligibility, but will be used towards the annual credit hour requirement.

D. First-time entering freshmen will not be penalized for any credit hours earned during the summer session immediately prior to the student's initial college enrollment. The credit hours earned will not count against the terms of eligibility. The credit hours may be used toward the annual credit hour requirement.

E. Students who complete their high school graduation requirements prior to the official graduation date reported on the final high school transcript may be eligible to receive the LIFE Scholarship dependent on the approval of the Commission on Higher Education (CHE). The student must complete and submit an Early Graduation Application, an official high school transcript, an official letter from the high school principal verifying that he/she has met all graduation requirements, and SAT/ACT scores (if attending a four-year institution) by the established deadline. Early graduates cannot use class rank in order to qualify for the LIFE Scholarship at four-year institutions for the spring semester since the class has not officially graduated. A student may use class rank to receive the Scholarship after the class officially graduates. Early graduates who enroll mid-year (spring term) and are awarded the LIFE Scholarship through the Early Graduation process will officially begin their initial college enrollment. In order to receive the LIFE Scholarship the next academic year, the student must earn a minimum of fifteen credit hours and a 3.0 "LIFE GPA" at the end of the academic year. The student will be eligible to receive the maximum number of terms of eligibility based on initial college enrollment. If a student does not submit an early graduation application for the spring term and has not officially graduated, the student should not have received the LIFE Scholarship and that term will not count against his/her terms of Scholarship eligibility.

F. First-time entering freshmen who enroll mid-year (spring semester) are eligible for the LIFE Scholarship if they qualified upon high school graduation.

G. LIFE Scholarship funds may not be applied to the cost of continuing education, remedial/developmental or non-degree credit courses for an associate's degree or higher. Twelve credit hours of the courseload must be non-remedial/developmental, non-continuing education or degree-credit courses for an associate's degree or higher in order to receive LIFE Scholarship funds. Continuing education, non-degree credit for an associate's degree or higher and remedial/developmental courses will not be included in the "LIFE GPA" or credit hour calculations.

H. Non-degree credit hours shall be used to meet the full-time eligibility criteria for a diploma or certificate program only. Students must sign an affidavit certifying that they understand that non-degree credit hours will not be used in calculating the "LIFE GPA" or credit hour requirements if they are enrolled in an Associate's degree or higher.

~~I. First-time entering freshmen attending an eligible two-year or technical college who enroll remedial/developmental courses during the first term(s) will not be eligible for Scholarship funds during this period. Credit hours earned during the term(s) of remedial/developmental enrollment will not be used to determine remaining Scholarship eligibility at the completion of remediation unless the student has completed at least twelve credit hours of non-remedial/developmental coursework each term of enrollment. The student will be eligible for the Scholarship for the term following completion of~~

remediation if the student was eligible to receive the LIFE Scholarship upon high school graduation. If the student requires more than one academic year of remedial/developmental coursework, then he/she will not be eligible for the LIFE Scholarship the term after completion of remediation. If the student was not eligible for the Scholarship upon high school graduation, the student must meet the conditions set forth in Section J below in order to gain the LIFE Scholarship.

I. Credit hours earned during the student's first two term(s) of remedial/developmental enrollment will not be used to determine remaining Scholarship eligibility at the completion of remediation unless the student has completed at least twelve credit hours of non-remedial/developmental coursework each term of enrollment. First-time entering freshmen attending an eligible two-year institution or technical college who enroll in fewer than twelve credit hours of non-remedial/developmental, including at least three hours of remedial/developmental courses during the first term(s) will not be eligible for Scholarship funds during this period. The student's initial college enrollment will begin after a maximum of two terms of remediation at an eligible two-year or technical college only. The student will be eligible for the Scholarship for the term following completion of remediation if the student was eligible to receive the LIFE Scholarship upon high school graduation. If the student requires more than one academic year of remedial/developmental coursework, then he/she will not be eligible for the LIFE Scholarship the term after completion of remediation. If the student was not eligible for the Scholarship upon high school graduation, the student must meet the conditions set forth in Section J below in order to gain the LIFE Scholarship.

J. Students who do not meet the scholarship eligibility requirements upon high school graduation and enroll full-time in remedial/developmental courses during a maximum of two terms at an eligible two-year institution or technical college, and who enroll in fewer than twelve credit hours of non-remedial/developmental courses, must meet the scholarship eligibility requirements (earn a 3.0 "LIFE GPA" and earn an average of thirty credit hours for the academic year) at the end of the first year of enrollment in non-remedial/developmental courses to be eligible to receive the scholarship for the second year of enrollment in non-remedial/developmental courses. Credit hours earned during the student's first two term(s) of remedial/developmental enrollment will not be used to determine remaining Scholarship eligibility at the completion of remediation unless the student has completed at least twelve credit hours of non-remedial/developmental coursework each term of enrollment.

K. Students receiving a LIFE Scholarship are not eligible to receive a Palmetto Fellows Scholarship, SC HOPE Scholarship or Lottery Tuition Assistance in the same academic year.

L. Students who have already been awarded their first bachelor's degree or graduate degree are not eligible to receive the LIFE Scholarship. In cases where students are enrolled in a program of study that is structured so as not to require a bachelor's degree for acceptance into the program and leads to a graduate degree, which will be the students' first academic degree awarded, the students must maintain their undergraduate status in order to receive a LIFE Scholarship and a LIFE Scholarship Enhancement each academic term, with the exception of students majoring in the Doctor of Pharmacy Program at South University, the Doctor of Pharmacy Program at Presbyterian College, the Master's of Science in Physician Assistant Studies Program, Master's of Science in Cytology and Biosciences Program and the Doctor of Pharmacy Program at the University of South Carolina-Columbia and the Medical University of South Carolina.

M. All documents required for determining LIFE Scholarship eligibility must be submitted to the institution by their established deadline(s). Students must submit official transcripts from all previous and current institutions, which provide evidence to calculate the "LIFE GPA," determine initial college enrollment and earned annual credit hour requirement. Students that complete coursework at another institution at any time during the academic year (fall, spring, summer) must submit an official transcript to the home institution at the end of the academic year to determine eligibility for the LIFE Scholarship.

N. First-time entering freshmen who attended out-of-state preparatory high schools or graduated from a SC high school prior to the full implementation of the Uniform Grading Scale Policy in 2004 (if the high school had not already converted to UGS) must have their high school transcript converted by a designated official appointed by the Commission on Higher Education to the UGSP in order to qualify for the LIFE Scholarship. ~~Any fees and requirements for the conversion are the responsibility of the student. Students who attended high school out of state must meet the South Carolina residency requirement.~~

O. To be eligible for a LIFE Scholarship Enhancement each academic year, the student must:

1. Meet all of the eligibility requirements at the end of each academic year to receive a LIFE Scholarship as stipulated by state law and regulation and be a recipient of LIFE Scholarship funds at the time of LIFE Scholarship Enhancement disbursement. The student must receive the underlying LIFE Scholarship;

2. Be enrolled as a full-time, degree-seeking student in a declared major of science or mathematics in an eligible program that is approved and assigned a CIP code by the Commission on Higher Education at the time of disbursement of LIFE Scholarship Enhancement funds. Eligible programs include degrees awarded in math and science fields, computer science or informational technology, engineering, science education, math education and healthcare and related disciplines including medicine and dentistry. The student must meet all requirements for satisfactory academic progress towards completion of the declared major as established by the policies of both the institution and the academic department in which the student is enrolled;

3. Be enrolled at an eligible four-year public or independent institution located in South Carolina;

4. Effective for the 2007-08 academic year only, all students who are enrolled at a four-year institution as a sophomore, junior or senior must meet the continued eligibility requirements of earning a minimum average of 30 credit hours and a minimum 3.0 LIFE GPA as stipulated by law and regulation for the LIFE Scholarship by the end of each academic year, be a recipient of LIFE Scholarship funds, and be enrolled as a full-time, degree-seeking student in a declared major of science or mathematics in an eligible program that is approved and assigned a CIP code by the Commission on Higher Education at the time of disbursement of LIFE Scholarship Enhancement funds. These students may continue to receive the LIFE Scholarship Enhancement for their remaining terms of eligibility for the LIFE Scholarship. To be awarded a LIFE Scholarship Enhancement each year, these students must meet all requirements for the LIFE Scholarship and be enrolled as a full-time, degree-seeking student in a declared major of science or mathematics in an eligible program that is approved and assigned a CIP code by the Commission on Higher Education at the time of disbursement of LIFE Scholarship Enhancement funds;

5. Beginning with the Fall 2007 freshman class and thereafter, all students must have successfully completed a total of at least fourteen credit hours of instruction in mathematics and life and physical science courses, in any combination, by the end of the student's first year of enrollment in college (based on initial date of college enrollment). For purposes of meeting the required minimum level of instruction in mathematics and life and physical science courses during a student's first year, Exempted Credit Hours placed on the student's official college transcript by the institution at which they were earned, College Level Examination Program (CLEP), Dual Enrollment, Pass/Fail courses with a grade of "Pass" (only), Satisfactory/Unsatisfactory courses with a grade of "Satisfactory" (only), International Baccalaureate (IB) courses and Advanced Placement (AP) courses in mathematics and life and physical sciences taken in high school in which the student scored a three or more on the advanced placement test and received college credit may count toward the fulfillment of this minimum requirement. The Commission will issue a list of eligible courses by CIP code for determining eligible coursework to meet the fourteen credit hour requirement. Remedial/developmental, continuing education, non-degree credit coursework and credit hours earned for courses taken after the end of the student's first year of college

enrollment cannot be used to meet the specified minimum fourteen credit hour course level requirement to gain eligibility to receive the LIFE Scholarship Enhancement;

6. Meet the continued eligibility requirements for the LIFE Scholarship of a minimum 3.0 LIFE GPA and a minimum average of 30 credit hours by the end of each academic year;

7. Be in the second, third or fourth year of full-time enrollment (based on initial date of college enrollment after high school graduation) at an eligible four-year public or independent institution in South Carolina. Students enrolled full-time in an eligible, approved five-year degree program may also be eligible to receive a LIFE Scholarship Enhancement in their fifth year of college enrollment (based on initial date of college enrollment); and

8. Students who initially enroll in college mid-year (i.e., spring term) as a freshman and meet the requirements under Section 62-1200.10 may be eligible to receive a LIFE Scholarship Enhancement at the beginning of the spring term of the next academic year (i.e., beginning with the third consecutive term of full-time enrollment based on initial date of college enrollment). The student must earn a minimum average of 15 credit hours and a 3.0 LIFE GPA to be awarded a LIFE Scholarship the following academic year and a minimum average of 30 credit hours by the end of the first academic year (i.e., by the end of the fall term or second consecutive term of full-time enrollment based on initial date of college enrollment) of enrollment to receive a LIFE Scholarship Enhancement beginning the spring term of the second, third and/or fourth year of college enrollment.

P. The LIFE Scholarship and LIFE Scholarship Enhancement are to be annual awards. Half of the Scholarship and Enhancement funds are to be disbursed in the fall and half are to be disbursed in the spring. In the cases where students who initially enroll in college mid-year (i.e., spring term) as a freshman and meet the requirements under Sections 62-1200.10 (O) and 62-1200.15 (C), such student shall be awarded the LIFE Scholarship Enhancement one year after initial college enrollment (i.e., spring term). Students who change their major from an ineligible degree program to an eligible degree program during the same academic year shall not receive the LIFE Scholarship Enhancement until the beginning of the next academic year (i.e., fall term). Students who change their major from an eligible degree program to an ineligible degree program during the same academic year may continue to receive the LIFE Scholarship Enhancement during the current academic year; however, the student cannot be awarded the LIFE Scholarship Enhancement the next academic year of enrollment in an ineligible degree program.

62-1200.15. Continued Eligibility: LIFE Scholarship and LIFE Scholarship Enhancement.

A. Students must meet the following criteria to renew eligibility for the LIFE Scholarship:

1. Continue to meet all eligibility requirements as stated in the “Student Eligibility” Section;

2. Earn at least a 3.0 “LIFE GPA” by the end of the academic year; and

3. Meet the annual credit hour requirement (or its equivalent) by the end of the academic year based on initial college enrollment:

(a) earn a minimum of 30 (or the equivalent) credit hours if entering the second year; or

(b) earn a minimum of 60 (or the equivalent) credit hours if entering the third year; or

(c) earn a minimum of 90 (or the equivalent) credit hours if entering the fourth year; or

(d) earn a minimum of 120 (or its equivalent) credit hours if entering the fifth year of an approved five-year bachelor's degree program.

B. Students who meet the continued eligibility requirements by the end of the spring term and who enroll in Maymester or summer term will not be eligible to receive the LIFE Scholarship if their cumulative grade point average falls below the minimum 3.0 "LIFE GPA" requirement by the end of the summer term.

C. Students who are LIFE eligible upon high school graduation and initially enroll in college mid-year (spring term) may be eligible to receive the LIFE Scholarship the next academic year, if the student earns a minimum of fifteen (15) credit hours and a 3.0 "LIFE GPA" at the end of the academic year. For subsequent years, the student must meet the annual credit hour requirement and 3.0 LIFE GPA for renewal:

(a) earn a minimum of 45 (or the equivalent) credit hours if entering the fourth semester based on initial college enrollment; or

(b) earn a minimum of 75 (or the equivalent) credit hours if entering the sixth semester based on initial college enrollment; or

(c) earn a minimum of 105 (or the equivalent) credit hours if entering the eighth semester based on initial college enrollment; or

(d) earn a minimum of 135 (or its equivalent) credit hours if entering the tenth semester of an approved five-year bachelor's degree program based on initial college enrollment.

Students who fail to meet the initial academic eligibility criteria to receive the LIFE Scholarship upon high school graduation, and who initially enroll in college mid-year (spring term) may be eligible to receive the LIFE Scholarship beginning in their second Fall term of college attendance at an eligible institution, if the student earns a minimum of forty-five (45) credit hours and a 3.0 "LIFE GPA" at the end of the prior academic year. The student may be eligible to receive the maximum number of terms of eligibility based on initial college enrollment.

D. Students must meet the following criteria to renew eligibility for the LIFE Scholarship Enhancement:

1. Continue to meet all eligibility requirements as stated in the "Student Eligibility: LIFE Scholarship and the LIFE Scholarship Enhancement" Section;

2. Be a recipient of LIFE Scholarship funds at the time of LIFE Scholarship Enhancement disbursement; and

3. Be enrolled full-time at an eligible four-year public or independent institution as a declared major in an eligible science or mathematics program as stipulated under Section 62-1200.10.

E. Students who meet the continued eligibility requirements by the end of the spring term and who enroll in Maymester or summer term will not be eligible to receive the LIFE Scholarship Enhancement if their cumulative grade point average falls below the minimum 3.0 "LIFE GPA" requirement by the end of the summer term resulting in ineligibility for a LIFE Scholarship. Students who do not meet the continued eligibility requirements to receive the LIFE Scholarship cannot receive a Scholarship or LIFE Scholarship Enhancement for the following academic year.

F. The student may be eligible to receive the maximum number of terms of eligibility (i.e., six consecutive terms) for a LIFE Scholarship Enhancement starting the second year of college enrollment (based on initial date of college enrollment after high school graduation).

62-1200.20. Terms of Eligibility: LIFE Scholarship and LIFE Scholarship Enhancement.

A. The maximum number of terms of eligibility is based on the student’s initial college enrollment with the exception of the summer term immediately prior to the student’s initial college enrollment and up to one academic year of full-time enrollment in remedial/developmental coursework.

B. Students may receive a LIFE Scholarship for a maximum of two terms for a one-year educational program, four terms for an associate’s degree program or at least a two-year program that is acceptable for full credit towards a bachelor’s degree, eight terms (or its equivalent) towards the first bachelor’s degree or program of study that is structured so as not to require a bachelor’s degree for acceptance into the program and leads to a graduate degree program or ten consecutive terms towards an approved five-year bachelor’s degree program. (See chart in “C” below.) In cases where students are enrolled in a program of study that is structured so as not to require a bachelor’s degree for acceptance into the program and leads to a graduate degree, which will be the students’ first academic degree awarded, such students must maintain their undergraduate status to be awarded the LIFE Scholarship and the LIFE Scholarship Enhancement each academic term, with the exception of students majoring in the Doctor of Pharmacy Program at South University, the Doctor of Pharmacy Program at Presbyterian College, the Master’s of Science in Physician Assistant Studies Program, the Master’s of Science in Cytology and Biosciences Program and the Doctor of Pharmacy Program at the University of South Carolina-Columbia and the Medical University of South Carolina. Students who have already been awarded their first bachelor’s degree or graduate degree are not eligible to be awarded a LIFE Scholarship or a LIFE Scholarship Enhancement. Students are eligible to receive the LIFE Scholarship for a maximum of eight consecutive terms (or its equivalent) and a LIFE Scholarship Enhancement for a maximum of six consecutive terms (or its equivalent), as long as all other eligibility requirements are met and the program is approved by the Commission on Higher Education.

C. If a student pursues the following program, the terms of eligibility for the LIFE Scholarship will be based upon the student’s initial college enrollment:

Degree/Program	Maximum Terms of Eligibility	Average Credit Hours Earned at the End of Each Academic Year				
		1st Year = 30 credit hours	2nd Year = 60 credit hours	3rd Year = 90 credit hours	4th Year = 120 credit hours	Fifth Year = 150 credit hours
		Terms of Remaining Eligibility at the End of Each Academic Year				
One-year Certificate/Diploma	2	0	0	0	0	0
Associate/Two-year Program	4	2	0	0	0	0
Bachelor/First Professional	8	6	4	2	0	0
Approved Five-year Bachelor	10	8	6	4	2	0

D. The maximum number of terms of eligibility for a LIFE Scholarship Enhancement is based on the student’s continued eligibility for a LIFE Scholarship and beginning with the student’s second year of college enrollment (based on initial date of college enrollment), with the exception of the summer term immediately prior to the student’s initial college enrollment and up to one academic year of full-time enrollment in remedial/developmental coursework.

E. Students may receive a LIFE Scholarship Enhancement for a maximum of six consecutive terms (i.e., three academic years) for a first bachelor’s degree in an eligible program or an eligible program of

study that is structured so as not to require a bachelor's degree for acceptance into the program and leads to a graduate degree program, and eight consecutive terms (i.e., four academic years) towards an approved five-year bachelor's degree program and six consecutive terms towards a 3 plus 2 program. Students must be enrolled in an eligible four-year public or independent institution in South Carolina as a declared major in an eligible science or mathematics major or an eligible program that is approved and assigned a CIP code by the Commission on Higher Education. In cases where students are enrolled in a program of study that is structured so as not to require a bachelor's degree for acceptance into the program and leads to a graduate degree, which will be the students' first academic degree awarded, students must maintain their undergraduate status to be awarded the LIFE Scholarship and the LIFE Scholarship Enhancement, with the exception of students declaring a major in the Doctor of Pharmacy Program at South University, the Doctor of Pharmacy Program at Presbyterian College, the Master's of Science in Physician Assistant Studies Program, the Master's of Science in Cytology and Biosciences Program and the Doctor of Pharmacy Program at the University of South Carolina-Columbia and the Medical University of South Carolina. Students who have already been awarded their first bachelor's degree or graduate degree are not eligible to be awarded a LIFE Scholarship or a LIFE Scholarship Enhancement. Students are eligible to receive a LIFE Scholarship for a maximum of eight consecutive terms (or its equivalent) and a LIFE Scholarship Enhancement for a maximum of six consecutive terms (or its equivalent) towards an undergraduate degree, as long as all other eligibility requirements are met and the program is approved by the Commission on Higher Education. Students enrolled in an approved five-year degree program may be eligible to receive a LIFE Scholarship for a fifth year of full-time, undergraduate work and a LIFE Scholarship Enhancement for a fourth year of full-time undergraduate coursework.

62-1200.25. Regaining or Earning Eligibility: LIFE Scholarship and LIFE Scholarship Enhancement.

A. Students who were U.S. Citizens or legal permanent residents, and South Carolina residents at the time of high school graduation and college enrollment, but were not initially eligible upon high school graduation or failed to meet the continued eligibility requirements ~~may~~ can earn or regain eligibility for the LIFE Scholarship if they:

1. Meet all eligibility requirements as stated in the "Student Eligibility" Section;
2. Earn at least a 3.0 "LIFE GPA" by the end of the academic year;
3. Meet the annual credit hour requirement by the end of the academic year based on Initial college enrollment:
 - (a) earn a minimum of 30 (or the equivalent) credit hours if entering the second year; or
 - (b) earn a minimum of 60 (or the equivalent) credit hours if entering the third year; or
 - (c) earn a minimum of 90 (or the equivalent) credit hours if entering the fourth year; or
 - (d) earn a minimum of 120 (or its equivalent) credit hours if entering the fifth year of an approved five-year bachelor's degree program.

B. A student who has earned a GED diploma may be eligible to earn the LIFE Scholarship at the end of the first academic year of a non-GED program. The student must meet the annual credit hour requirement (or equivalent) and a 3.0 "LIFE GPA" at the end of the first academic year. To qualify for subsequent years, the student must meet all eligibility requirements as stated in Section A above.

C. A student who has graduated from a homeschool association not approved by the state of South Carolina may be eligible to earn the LIFE Scholarship at the end of the first academic year based on initial college enrollment. The student must meet the annual credit hour requirement (or equivalent) and a 3.0 “LIFE GPA” at the end of the first academic year. The student may also qualify in subsequent years by meeting all eligibility requirements as stated in Section A above.

62-1200.60. Institutional Policies and Procedures for Awarding: LIFE Scholarship and LIFE Scholarship Enhancement.

A. All eligible institutions are responsible for ensuring that each student has met the criteria based on state law and regulation to determine eligibility for the LIFE Scholarship and the LIFE Scholarship Enhancement as stipulated in Section 62-1200.10 and Section 62-1200.15.

B. Each institution is responsible for reviewing all students based on the “LIFE GPA” calculation below to determine eligibility for the LIFE Scholarship. Institutions must use official transcripts from all eligible institutions for each student and the steps in Section E below.

C. The institution must use grades earned at all eligible institutions during any term (fall, spring, and/or summer) for calculating a “LIFE GPA” at the end of the academic year.

D. The student must certify by submitting a signed affidavit that he/she is responsible for submitting transcripts from all previous and current eligible institutions. Students who complete coursework at another institution at anytime during the academic year (fall, spring, summer) must submit an official transcript to the home institution at the end of the academic year to determine eligibility for the LIFE Scholarship.

E. Steps for calculating a “LIFE GPA:”

1. Convert all grades earned at an eligible institution to a 4.0 scale based on each institution’s grading policy where the grades were earned = Grade Points

2. Multiply the grade points by attempted credit hours = Quality Points (QP)

3. Divide the total quality points by the total number of attempted credit hours = LIFE GPA

4. “LIFE GPA” Formula:
$$\frac{\text{Grade Points} \times \text{Attempted Credited Hours} = \text{QP}}{\text{Total Attempted Credit Hours}} = \text{LIFE GPA}$$

F. The “LIFE GPA” must include all grades earned at eligible institutions, including courses that do not transfer based on the institution’s policy and college courses taken while in high school.

G. The “LIFE GPA” must not include attempted credit hours earned for continuing education courses, non-degree credit courses for an associate’s degree or higher and remedial/developmental courses.

H. The student must meet the annual credit hour requirement at the end of the academic year based on initial college enrollment as defined in the “Continued Eligibility,” “Regaining or Earning Eligibility” or “Transfer Students” Sections.

I. LIFE Scholarship awards are to be used only for payment toward the cost-of-attendance as established by Title IV Regulations. Eligible four-year public and independent institutions shall identify award amounts up to the cost-of-tuition for thirty credit hours, not to exceed four thousand seven hundred dollars, plus a three hundred dollar book allowance (maximum \$5,000 including cost-of-tuition plus book allowance) per academic year. Eligible two-year public or technical institutions shall identify award amounts, which cannot exceed the cost-of-tuition for thirty credit hours plus a three hundred dollar book allowance (maximum \$5,000 including cost-of-tuition plus book allowance) per academic year. Half shall be awarded during the fall term and half during the spring term (or its equivalent), assuming continued eligibility. The LIFE Scholarship in combination with all other gift aid, including Federal, State, private and institutional funds, shall not exceed the cost-of-attendance as defined in Title IV regulations for any academic year.

L. In determining the amount awarded for the LIFE Scholarship Enhancement, all other sources of gift aid, including federal, State, private and institutional funds and the base LIFE Scholarship must be applied to the unmet total cost of attendance in accord with Title IV Regulations before calculating the LIFE Scholarship Enhancement amount and receiving the funds. Adjustments to the financial aid package will be made to the LIFE Scholarship Enhancement in accordance with prescribed Title IV Regulations in order to prevent an over award.

M. Students who have already been awarded a first bachelor's degree or graduate degree are not eligible to receive a LIFE Scholarship or a LIFE Scholarship Enhancement. 62-900.85. Purpose of the SC HOPE Scholarship Program

The South Carolina HOPE Scholarship was established under the South Carolina Education Lottery Act in 2001 and amended by Act 95 during the 2005 legislative session. Act 356 authorizes the Commission on Higher Education to promulgate regulation for administration of the SC HOPE Scholarship Program. The purpose of the SC HOPE Scholarship Program is to provide funding to first-time entering freshmen who do not qualify for the LIFE or Palmetto Fellows Scholarships.

All eligible institutions that participate in the program must verify the lawful presence of any student who receives a SC HOPE Scholarship prior to awarding the Scholarship to the student. When verifying the lawful presence of an individual, institutional personnel shall not attempt to independently verify the immigration status of any alien, but shall verify any alien's immigration status with the federal government pursuant to 8 USC Section 1373(c).

Independent and public institutions of higher learning in this, or any other state in the U.S., outside the U.S. or abroad are prohibited from using the South Carolina HOPE Scholarship or “SC HOPE” Scholarship in programs that promote financial aid incentives or packages. Any mention of the South Carolina HOPE Scholarship or “SC HOPE” Scholarship in these financial aid packages must indicate the scholarship to be separate from the University that is offering the financial aid package, and reference the South Carolina HOPE Scholarship or “SC HOPE” Scholarship as a separate financial aid award, provided to the student by the State of South Carolina.

62-900.86. Funding

A. Funds made available for SC HOPE Scholarships under the South Carolina Education Lottery Act shall be included in the annual appropriation to the Commission on Higher Education. Pursuant to Act 458, South Carolina Children First: Resources for Scholarships and Tuition Act of 1996, of the 1995-1996 Appropriations Bill, the Commission on Higher Education shall promulgate regulation and establish procedures to administer the South Carolina Need-based Grants Program. The purpose of the South Carolina Need-based Grants Program is to provide additional financial aid assistance to South Carolina's neediest students. The program will assist students who wish to attend public or independent colleges or universities in the State.

62-455. Allocation of Need-based Grant Funds to Public and Independent Institutions.

A. Funds made available for higher education grants and scholarships under Chapter 143 of Title 59 of the 1976 Code, as amended under Act 458, South Carolina Children First: Resources for Scholarship and Tuition Act of 1996, shall be included in the annual appropriation to the Commission on Higher Education. Fifty percent of the appropriation shall be designated for the Palmetto Fellows Scholarship Program and the remaining fifty percent shall be for the Need-based Grants Program. However, in

instances where the equal division of the appropriated funds between the Palmetto Fellows Scholarship and Need-based Grants Programs exceeds the capacity to make awards in either program, the Commission on Higher Education has the authority to re-allocate the remaining funds between the two programs. The Commission on Higher Education shall award to eligible students who are attending public or independent eligible institutions as State Need-based Grant recipients as follows:

1. Of the funds allocated to public institutions, the percentage shall be equivalent to the percentage of the public institution's share of the total South Carolina resident undergraduate full-time headcount enrollment in the preceding year.

2. Of the funds allocated to independent institutions, the percentage shall be equivalent to the percentage of the independent institutions' share of the total South Carolina resident undergraduate full-time headcount enrollment in the preceding year and will be determined annually by the South Carolina Commission on Higher Education and the Tuition Grants Commission. The funds allocated for Need-based Grants shall be included in the annual appropriation to the Commission on Higher Education and transferred annually into the budget of the South Carolina Tuition Grants Commission, which will distribute these funds as Tuition Grants.

B. Independent and public institutions of higher learning in this, or any other state in the U.S., outside the U.S. or abroad are prohibited from using the SC Need-based Grant in programs that promote financial aid incentives or packages. Any mention of the SC Need-based Grant in these financial aid packages must indicate the scholarship to be separate from the University that is offering the financial aid package, and reference the SC Need-based Grant as a separate financial aid award, provided to the student by the State of South Carolina.

However, a high school or college student who has been adjudicated delinquent, convicted, or pled guilty or nolo contendere of a second or subsequent alcohol/drug related misdemeanor offense is ineligible for the next academic year of enrollment at an eligible institution after the date of the adjudication, conviction or plea. If the adjudication, conviction, or plea occurs during the academic year after the student has already submitted a signed affidavit to the institution, the student will be eligible to receive the Need-based Grant the remainder of the academic year. However, the student will be ineligible for the Need-based Grant the following entire academic year of enrollment. If a student completes a pretrial intervention program and has his/her record expunged the conviction will not affect grant eligibility; and

7. Verify that he/she does not owe a refund or repayment on a State Grant, a Pell Grant, or a Supplemental Educational Opportunity Grant and is not in default on a loan under the Federal Perkins Loan or Federal Stafford Loan Programs; and

C. Students enrolled in an eligible program of study as stated in the “Program Definitions” Section may include remedial courses as part of the minimum number of required credit hours for part-time or full-time status, as long as such courses carry credit hours and meet Title IV limitations on remedial coursework.

D. Any false information provided by the student or any attempt to obtain or expend any Need-based Grant for unlawful purposes or any purpose other than in payment or reimbursement for the cost-of-attendance at the institution authorized to award the grant will be cause for immediate cancellation of the Need-based Grant. Any student who has obtained a Need-based Grant through means of a willfully false statement or failure to reveal any material fact, condition, or circumstances affecting eligibility will be subject to applicable civil or criminal penalties, including loss of the Need-based Grant.

62-470. Policies and Procedures for Awarding Need-based Grants.

A. The Need-based Grants Program for the public institutions will be campus-administered. Grant funds will supplement the student financial aid awards administered by the participating public colleges and universities.

B. The participating institution will make awards in amounts to be defined in accordance with the Need-based Grants Program regulation and criteria, but not to exceed \$1,250 per eligible part-time student and \$2,500 per eligible full-time student per academic year, based on the institution's allocated funds for Need-based Grants and other financial aid awarded to individual applicants. However, the Commission, due to inflation increases or other relevant factors, may periodically adjust the maximum award for the Need-based Grants Program. A maximum of fifty percent of the grant shall be disbursed for two terms of the academic year, assuming continued eligibility.

C. Need-based Grants are to be used only towards payment for the cost-of-attendance as defined by Title IV Regulations as modified by D below for the academic year for which the award is made at the designated institution. The maximum amount awarded shall not exceed the cost-of-attendance as defined in Title IV Regulations for any year.

D. Charges for room and board are to be limited as follows:

1. Room charges shall not exceed the average cost of on-campus residential housing; and
2. Board charges shall not exceed the cost of the least expensive on-campus meal plan, which includes 21 meals per week.

E. In determining the amount awarded for the Need-based Grant, all other sources of gift aid, including Federal, State, private and institutional funds, must be applied to the total cost-of-attendance ~~in accordance with Title IV Regulations~~ before calculating the unmet need and awarding the grant. The Need-based Grant shall be awarded only after all other sources of gift aid have been exhausted. Adjustments to the financial aid package will be made to the Need-based Grant in accordance with prescribed Title IV Regulations in order to prevent an over-award.

F. Institutions must give first priority and award the maximum allowable Need-based Grant (\$2,500 if full-time or \$1,250 if part-time) to students who are in the custody of the South Carolina Department of Social Services (DSS). However, institutions should not award the maximum amount if, by doing so, this causes the student to exceed the unmet need according to Title IV Regulations. Students who may be eligible under this provision are responsible for contacting the institution and providing official verification to the institution that he/she is in custody of DSS. Acceptable verification shall include a letter from DSS.

G. Participating institutions will notify students of their Need-based Grant along with the terms and conditions of the award.

H. The student shall be required to provide a nationally recognized unique identifier in order for the institution to award, disburse, and/or transfer the student's state scholarship and/or grant to an eligible institution.

~~I.H.~~ Annual allocations of funds to the public institutions will be based on each institution's percentage of the State's total enrollment of South Carolina resident undergraduate full-time degree-seeking headcount enrollment. The percentage will be based on the previous year's total as determined by the Commission on Higher Education. Unused funds, which cannot be awarded by an institution, must be returned to the Commission on Higher Education, which may redirect the funds to institutions where unmet need exists.

J. Effective Fall 2008, Section 59-101-430 (A), Chapter 101, Title 59 of the 1976 Code states that unlawful aliens are prohibited from attending SC Public institutions of higher learning. This does apply to students who are currently enrolled, as well as new enrollees. In accordance of this law, institutions must institute a process that verifies an individual's lawful presence in the United States. Students receiving the SC Need-based Grant must be verified. Any student who is not verified and documented by the institution will not receive the Grant.

K. All eligible independent and public institutions that participate in the program must verify the lawful presence of any student who receives a SC Need-based Grant prior to awarding the Grant to the student. When verifying the lawful presence of an individual, institutional personnel shall not attempt to independently verify the immigration status of any alien, but shall verify any alien's immigration status with the federal government pursuant to 8 USC Section 1373(c).

~~L.F.~~ The institution must retain annual paper or electronic documentation for each award to include at a minimum:

1. Need analysis
2. Affidavit documenting that the student has never been convicted of any felonies or any second or subsequent alcohol or drug related misdemeanor offenses as stated under "Student Eligibility" and "Duration of Award and Continued Eligibility" Sections
3. Award notification

4. Institutional disbursement to student
5. Refund or repayment (if appropriate)
6. Satisfactory academic progress
7. Student's residency status
8. Enrollment and curriculum requirements
9. Student's disability (if appropriate)
10. Student is in custody of DSS (if appropriate)
11. Student award based upon approval of institutional appeal (if appropriate)
12. Verification from the institution that lawful presence in the US has been verified.

M.J. It is the institution's responsibility to ensure that only eligible students receive a Need-based Grant.

62-475. Duration of Award and Continued Eligibility.

A. Need-based Grants shall be awarded for up to two terms each academic year. The institution shall adjust the amount of the grant award during the academic year in the event of a change in the student's eligibility.

B. Need-based Grants may be awarded annually for no more than a total of eight full-time equivalent semesters of part-time or full-time study and only for up to two terms of each academic year. Award decisions will be made annually and are not automatically guaranteed. Students who have already been awarded their first baccalaureate degree are not eligible to receive a Need-based Grant.

C. Students must reapply each academic year for a Need-based Grant in accord with these guidelines and other pertinent statutes and regulations and with application timeliness and procedures stipulated by the participating institution. Students applying for a Need-based Grant must complete a FAFSA Form and be a needy student. The student must also complete any supplemental forms that may be required by the institution.

D. The institution shall be responsible for securing institutional certification of each recipient's cumulative grade point average, credit hours attempted and earned, and satisfactory academic progress for purposes of determining eligibility for award renewal.

E. For continued eligibility, the student is required to:

1. For graduation purposes, earn at least 24 credit hours each regular academic year if awarded a Need-based Grant as a full-time student or earn at least twelve credit hours if awarded a Need-based Grant as a part-time student. If a student is awarded a Need-based Grant for one semester of the academic year as a part-time student and the other semester as a full-time student, the student must earn at least eighteen credit hours each regular academic year. If a full-time student is awarded a Need-based Grant for only one semester of the academic year, the student must earn at least twelve credit hours by the end of the academic year. A part-time student who is awarded a Need-based Grant for only one semester must earn at least six credit hours by the end of the academic year. Credits earned during any additional

semesters (i.e., interim, winterim or other non-regular semester) cannot be used to replace or reduce the minimum credit hour requirement for the regular academic year; and

2. Earn at least a cumulative 2.0 grade point average on a 4.0 scale for graduation purposes by the end of each regular academic year.

F. Students wishing to appeal any grant award decision must submit a written request to the institution's Director of Financial Aid. This request will be handled in accordance with the institution's financial aid appeal procedures. The institution's decision on appeals shall be final.

62-480. Students with Disabilities.

A. Students who qualify under the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act of 1973 must meet all eligibility requirements as defined in "Student Eligibility" Section except for a student who is approved by the Disability Services Provider to be enrolled in less than part-time status is eligible to receive grant funding. Students must comply with all institutional policies and procedures in accordance with ADA and Section 504 of the Rehabilitation Act of 1973.

B. For renewal, students who qualify under ADA and Section 504 of the Rehabilitation Act of 1973 must meet all renewal requirements as defined in "Duration of Award and Continued Eligibility" Section except for a student not meeting the annual credit hour requirement who is approved by the Disability Services Provider to be enrolled in less than part-time status for that academic year. Students must earn the required number of hours approved by the institutional Disability Services Provider each academic year for grant renewal and earn a minimum 2.0 cumulative grade point average on a 4.0 scale by the end of the academic year. Students must comply with all institutional policies and procedures in accordance with ADA and Section 504 of the Rehabilitation Act of 1973.

C. The institutional Disability Services Provider must provide written documentation to the Office of Financial Aid each academic year verifying that the student is approved to be enrolled in less than part-time status.

D. Students who qualify under ADA and Section 504 of the Rehabilitation Act of 1973 are eligible to receive up to the maximum number of available semesters and available funds.

62-485. Enrollment in Internships, Cooperative Work Programs, Travel Study Programs, or National or International Student Exchange Programs.

A. Students enrolled in an internship, cooperative work program, travel study program, or National or International Student Exchange Program approved by the student's home institution, and enrolled in fewer than six credit hours, shall not be eligible to receive a Need-based Grant during the period in which the student is enrolled in such programs or courses. Students enrolled in such programs may receive a Need-based Grant for up to two terms of the academic year if determined to be eligible.

B. Students enrolled in internships, cooperative work programs, travel study programs, or National or International Student Exchange Programs that are approved by the home institution and that the home institution accepts as at least part-time transfer credit (minimum of six credit hours) are eligible to receive Need-based Grant funds during the period in which the student is enrolled in such programs. Students will be required to meet the continued eligibility requirements.

C. Eligible students may use the appropriated portion of the Need-based Grant funds for internships, cooperative work programs, travel study programs, or National or International Student Exchange Programs that are approved by the home institution and that the home institution accepts as at least part-time transfer credit (minimum of six credit hours). Need-based Grant funds must be paid directly to the

student's account at the home institution. The amount awarded cannot exceed the cost-of-attendance at the home institution or the cost-of-attendance at the host institution, whichever is less. The Commission on Higher Education will not transfer grant funds to the institutions where students will participate in internships, cooperative work programs, travel study programs, or National or International Student Exchange Programs. The institution is responsible for grant funds according to the "Program Administration and Audits" Section.

D. The home institution will be responsible for securing official certification of the student's cumulative grade point average, credit hours earned, and satisfactory academic progress for the purposes of determining eligibility for grant renewal for the next academic year.

62-490. Institutional Disbursement of Need-based Grants.

A. The participating institution will identify award amounts, which cannot exceed \$1,250 per eligible part-time student and \$2,500 per eligible full-time student per academic year. A maximum of fifty percent of the grant shall be disbursed for up to up to two terms of the academic year. The maximum amount, which may be received by a recipient for eight full-time equivalent semesters, shall be \$10,000 for students seeking their first baccalaureate degree or a program of study that is structured so as not to require a baccalaureate degree and leads to a graduate degree, \$5,000 for students seeking their first associate's degree, and \$2,500 for students seeking their first one-year certificate or diploma. Students who have obtained an associate's degree initially are eligible to apply for a Need-based Grant upon enrollment in their first baccalaureate degree or a program of study that is structured so as not to require a baccalaureate degree. Students who have obtained a recognized educational credential in a one-year program initially are eligible for application for a Need-based Grant upon enrollment in their first associate's degree, first baccalaureate degree, or a program of study that is structured so as not to require a baccalaureate degree and leads to a graduate degree.

B. A Need-based Grant may not be applied to a second baccalaureate degree or to graduate coursework, unless the graduate coursework is required as part of a program of study that is structured so as not to require a baccalaureate degree as defined in the "Program Definitions" Section.

C. The institution shall provide an award notification each academic year to Need-based Grant recipients, which will contain the terms and conditions of the grant and other financial aid awarded. Students will be notified of adjustments in financial aid due to changes in eligibility and/or over-award issues. The Commission on Higher Education, for documentation purposes, requires that each institution obtain verification of acceptance of the Need-based Grant and terms for the award.

D. After the last day to register for each semester of the academic year, the institution will verify enrollment of each recipient as a South Carolina resident that is a part-time or full-time degree-seeking student. According to the Scholarship and Grant Programs Policies and Procedures Manual, a listing of eligible recipients by social security number with the award amounts for the semester will be sent to the Commission on Higher Education with the institution's request for funds. A year-end reconciliation report will be submitted to the Commission on Higher Education prior to June 30th. Any unused funds shall be refunded to the Commission on Higher Education no later than June 30th of each fiscal year.

E. The student shall be required to provide a nationally recognized unique identifier in order for the institution to award, disburse, and/or transfer the student's state scholarship and/or grant to an eligible institution.

62-495. Refunds and Repayments.

A. In the event a student who has been awarded a Need-based Grant withdraws, is suspended from the institution, or drops below part-time (six credit hours) or full-time (twelve credit hours) status during any

regular semester of the academic year, institutions must reimburse the Need-based Grants Program for the amount of the grant for the semester in question pursuant to refund policies of the institution. Collection is the responsibility of the institution.

B. The institution may redistribute such funds to other eligible students in accordance with the guidelines, or if such funds cannot be redistributed within the academic year, the institution shall return the refund amount to the Commission on Higher Education for redistribution to other institutions.

C. In the event a student withdraws or drops below part-time or full-time status after the institution's refund period and therefore must pay tuition and fees for part-time or full-time enrollment, the award may be retained by the student pursuant to the refund policies of the institution.

D. In the event a student who has been awarded the SC Need-based Grant has been identified as not being a SC resident at any time, the institution must reimburse funds to CHE for the time period the student was no longer a SC resident.

62-500. Program Administration and Audits.

A. The South Carolina Commission on Higher Education will coordinate the oversight of functions (e.g., guidelines, policies, rules, regulations) relative to this program with eligible institutions. The Commission on Higher Education shall be responsible for the allocation of funds, promulgation of the regulation and rules, any audits, or other statewide oversight of the Need-based Grants Program as deemed necessary to monitor the expenditure of grant funds.

B. According to the Audit Policies and Procedures for Scholarship and Grant Programs Manual, all eligible institutions that participate in the program must abide by program policies, rules or regulations. Institutions also agree to maintain and provide all pertinent information, records, reports, or any information as may be required or requested by the Commission on Higher Education or the General Assembly to ensure proper administration of the program.

C. Participating institutions are authorized to establish additional guidelines, rules, and regulations for awarding the grants consistent with the South Carolina Need-based Grants Program Regulation contained herein.

D. The Chief Executive Officer at each participating institution shall identify to the Commission on Higher Education a Need-based Grant institutional representative who is responsible for the operation of the program on the campus and will serve as the contact person for the program. The institutional representative will act as the student fiscal agent to receive and deliver funds for use under the program.

E. The institutions shall institute a process by which a SC Need-based Grant recipient's lawful presence in the United States is verified. The institution shall verify SC residency status and lawful presence in the United States upon college enrollment. If an institution has determined at any time that a recipient no longer meets SC residency requirements, the scholarship will be forfeited and funds are to be returned to CHE.

F. The participating institution shall identify to the Commission on Higher Education an institutional representative who will act as the point of contact for all inquiries pertaining to residency and legal presence classification for the purposes of awarding the SC Need-based Grant.

G. Independent and public institutions of higher learning in this, or any other state in the U.S., are prohibited from using the SC Need-based Grant in programs that promote financial aid incentives or packages. Any mention of the SC Need-based Grant in these financial aid packages must indicate the scholarship to be separate from the University that is offering the financial aid package, and reference the

SC Need-based Grant as a separate financial aid award, provided to the student by the State of South Carolina.

62-505. Suspension or Termination of Institutional Participation.

A. The Commission may review institutional administrative practices to determine institutional compliance with pertinent statutes, guidelines, rules or regulations. If such a review determines that an institution has failed to comply with program statutes, guidelines, rules or regulations, the Commission may suspend, terminate, or place certain conditions upon the institution's continued participation in the program and require reimbursement to the State Need-based Grants Program for any funds lost or improperly awarded.

B. Upon receipt of evidence that an institution has failed to comply, the Commission on Higher Education shall notify the institution in writing of the nature of such allegations and conduct an audit.

C. If an audit indicates that a violation or violations may have occurred or are occurring at any public or independent college or university, the Commission on Higher Education shall secure immediate reimbursement from the institution in the event that any funds were expended out of compliance with the provisions of the Act, any relevant statutes, guidelines, rules, and regulations.
