Palmetto Fellows Scholarship and Palmetto Fellows Scholarship Enhancement

Proposed Regulatory Amendments for the 2011-12 Academic Year

The Commission on Higher Education staff proposes amendments to the regulation for the Palmetto Fellows Scholarship and Palmetto Fellows Scholarship Enhancement. Act 280, the SC Illegal Immigration Reform Act, was approved during the 2008 legislative session and must be incorporated into the regulation. To assist the higher education community with carrying out the mandates of the Act, CHE convened the Illegal Immigration Reform Act Committee. The Committee met throughout the months of September and October during 2008 to develop a recommended process for verification of a student's lawful presence in the United States. The proposed language incorporates key definitions and mandates from Act 280. In addition, CHE is adding proposed language to the existing regulation to ensure that when higher education institutions are offering financial aid incentive packages to students, the state's contribution to the award is recognized as a separate part of the package. These legislative and policy changes may affect a student's eligibility for the Palmetto Fellows Scholarship effective the 2011-12 academic year.

The South Carolina Association of Financial Aid Administrators' CHE Advisory Committee met on March 5, 2010, and provided their suggestions and comments about the proposed regulation. The proposed regulation was also e-mailed to the financial aid officers at all public and independent institutions via their listserv and CHE requested their input. CHE staff also presented the proposed changes to the regulation at the annual SCASFAA conference on April 14-16 of this year. The recommendations from the financial aid community were incorporated into the proposed regulation.

The Access & Equity and Student Services Committee of CHE met on June 3, 2010, and approved the proposed amendments to the regulation for the Palmetto Fellows Scholarship and Palmetto Fellows Scholarship Enhancement.

The regulation proposes six major amendments, and several clarifying amendments to the administration of the Palmetto Fellows Scholarship and Palmetto Fellows Scholarship Enhancement:

1. Act 280, the SC Illegal Immigration Reform Act, was passed during the 2008 legislative session. The Act requires institutions of higher learning in this state to develop a process through which a student's lawful presence in the United States is verified through the Federal Government. Students whose lawful presence cannot be verified cannot attend any of South Carolina's public higher education institutions, nor can they receive public benefits at any of the state's independent institutions. The proposed changes to the existing Palmetto Fellows Scholarship and Scholarship Enhancement regulation are necessary to ensure the current regulation is consistent with the legislative mandates of the South Carolina Illegal Immigration Act.

2. It was found that an institution allowed their Palmetto Fellows Scholarship recipients to attend a two-year institution while they were suspended for a term, return to the four-year home institution, and still receive the Palmetto Fellows Scholarship. As such, it was necessary to clarify that Palmetto Fellows Scholarship recipients be continuously enrolled at a four-year institution only. This clarification was needed to promote consistency with the law.

3. Recently, officials from Presbyterian College have contacted CHE regarding the possible addition of their Pharmacy degree program on to the CHE approved list of degree programs that are eligible to receive Palmetto Fellows and Palmetto Fellows Scholarship Enhancements. Language has been added to allow for the addition of these programs to the list upon approval from the Academic Affairs Division of CHE.

4. Additional clarification was needed for the application process for the high school counselors and/or high school representatives as well as the selection process.

5. The deletion of awarding a percentage of Palmetto Fellows Scholarship recipients to attend public and independent institutions is no longer needed given that it is awarded to all students regardless of attendance at an eligible SC public or independent institution.

6. Specifies that higher education institutions separate the Palmetto Fellows Scholarship and Palmetto Fellows Scholarship from any financial aid that the institution is offering.

The first major amendment is based on Act 280, the South Carolina Illegal Immigration Reform Act. The amendment ensures that a student's lawful presence in the United States has been verified with the Federal Government before the student is eligible to receive a Palmetto Fellows Scholarship.

- **Section 62-325(I) and 62-325(H)** – Adds language from Act 280, establishing that the Board of Trustees at each institution must develop a process through which the lawful presence of a Palmetto Fellows Scholarship recipient is verified with the federal government before the student receives the Scholarship.
- **Section 62-310 (CC)** – Defines “Lawful Presence” as individuals who are in the United States legally and documented. Only those students whose lawful presence has been verified with the Federal Government prior to college enrollment will be considered to receive the Palmetto Fellows Scholarship.
- **Section 62-315(A) (4) and 62-325(B)** – Clarifies that lawful presence must be verified at the time of initial college enrollment for a student to be eligible to receive the Palmetto Fellows Scholarship.
- **Section 62-330(J) (13)** – Adds “verification from the appropriate institutional department that lawful presence of the student has been verified with the Federal Government” to the list of items that an institution must include in a Palmetto Fellows Scholarship recipients student file each year.

- **Section 62-365(C)** – Clarifies that if an institution fails to verify a scholarship recipient, the institution must return the funds disbursed in error to CHE.

The second major amendment stipulates that Palmetto Fellows Scholarship recipients must be continuously enrolled at four-year institution. Clarification was also added to stipulate that students must be continuously enrolled at an eligible four-year institution. Given this, a definition was added for “continuously enrolled.”

- **Section 62-335(B)** – Adds students must be continuously full-time enrollment at an eligible four-year institution. Students with a break in continuous enrollment at a four-year institution or initially enrolling at a two-year institution in the fall term after high school graduation will forfeit the scholarship.
- **Sections 62-318(A)(4), 62-315(C), 62-315(D), 62-335(B), 62-335(F)(1), 62-335(G)(2) & (4), 62-340(A) & (E), and 62-360(H)** – Adds that students must be enrolled in a four-year institution.

The third major amendment allows the Pharmacy degree program at Presbyterian College to be placed on to the CHE approved list of degree programs that are eligible to receive Palmetto Fellows and Palmetto Fellows Scholarship Enhancements. The inclusion of these programs is pending approval from the Academic Affairs Division of CHE.

- **Sections 62-310(L), 62-310(HH), and 62-360(C)**, – Adds the Pharmacy program at Presbyterian College to the CHE approved list of eligible degree programs for the Palmetto Fellows Scholarship Enhancement.

The fourth major amendment pertains to the application process for the high school guidance counselors and/or high school representatives and the selection process of the Palmetto Fellows Scholarship.

- **Section 62-320(K)** – Clarifies when the rank of an out-of-state preparatory high school can be used to determine initial eligibility for the Palmetto Fellows Scholarship.
- **Section 62-320(A)** – Clarifies the application process for the Palmetto Fellows Scholarship.
- **Section 62-325(B)** – Clarifies the selection process for the Palmetto Fellows Scholarship.

The fifth major amendment proposed regulation deletes the 80/20 awarding process between the public independent institutions. The proposed regulation also includes minor changes to sections **62-310** (Definitions) and **62-1200.55** (Appeals) for clarification purposes and to promote consistency among State scholarship and grant programs. All proposed changes are highlighted in red in the attached regulation.

The last major amendment inserts language that prohibits independent and public two-year institutions from using the Palmetto Fellows Scholarship and Palmetto Fellows Scholarship Enhancement in programs that promote financial aid incentives or packages. The language also requires that any mention of the Palmetto Fellows Scholarship and Palmetto Fellows Scholarship Enhancement in these financial aid packages must indicate the grant to be separate from the college that is offering the financial aid package, and reference the Palmetto Fellows Scholarship and Palmetto Fellows Scholarship Enhancement as a separate financial aid award, provided to the student by the State of South Carolina

- **Section 62-370 Program Administration and Audits**

F. Independent and public institutions of higher learning in this, or any other state in the U.S., outside the U.S. or abroad, are prohibited from using the Palmetto Fellows Scholarship in programs that promote financial aid incentives or packages. Any mention of the Palmetto Fellows Scholarship in these financial aid packages must indicate the scholarship to be separate from the University that is offering the financial aid package, and reference the Palmetto Fellows Scholarship as a separate financial aid award, provided to the student by the State of South Carolina.

Recommendation

The Committee on Access & Equity and Student Services recommends that the SC Commission on Higher Education approve the proposed amendments to the regulation for the Palmetto Fellows Scholarship and Palmetto Fellows Scholarship Enhancement. If approved by the Commission on Higher Education, the proposed regulation will be submitted to the General Assembly during the 2011 legislative session for approval under the Administrative Procedures Act.

Statutory Authority: 1976 Code Section 59-104-20

62-300. Palmetto Fellows Scholarship and Palmetto Fellows Scholarship Enhancement

Synopsis:

The S.C. Commission on Higher Education proposes to amend and replace in its entirety R.62-300 of the Palmetto Fellows Scholarship Program. Revisions to the existing regulation for the Palmetto Fellows Scholarship Program are being proposed to clarify the policies and procedures for administering the Program. ~~These changes were necessary to comply with Act 103 approved in 2007 and Acts 178 and 235 approved in 2008. These Acts affect a student's eligibility for the Palmetto Fellows Scholarship and Palmetto Fellows Scholarship Enhancement. The proposed regulation amends the language regarding alcohol or drug-related misdemeanor offenses from the first to the second or subsequent. In addition, the proposed regulation also provides the procedures that institutions must follow when determining students' eligibility and when disbursing the Palmetto Fellows Scholarship funds to eligible students in accordance with the SC Illegal Immigration Reform Act. This regulation is being promulgated to implement this legislative mandate by including the appropriate language in the awarding procedures.~~ The proposed regulation will clarify the use of class rank by students attending out-of-state preparatory schools to qualify for the Palmetto Fellows Scholarship. Finally, the proposed regulation will provide the criteria for students to be eligible for the Palmetto Fellows Scholarship Enhancement.

Instructions: R.62-300 is being amended and replaced in its entirety.

62-300 Purpose of the Palmetto Fellows Scholarship and Scholarship Enhancement

A. Pursuant to Act 458 and amended by Act 95 and Act 162 in 2005, the Commission on Higher Education shall promulgate regulation and establish procedures to administer the Palmetto Fellows Scholarship Program. The General Assembly established the Palmetto Fellows Scholarship Program to foster scholarship among the State's postsecondary students and retain outstanding South Carolina high school graduates in the State through awards based on scholarship and achievement. The purpose of the Palmetto Fellows Scholarship Program is to recognize the most academically talented high school seniors in South Carolina and to encourage them to attend eligible colleges or universities in the State. A secondary purpose is to help retain talented minority students who might otherwise pursue studies outside the State.

B. Pursuant to Act 115 and amended by Act 235 in 2008, the Commission on Higher Education shall promulgate regulation and establish procedures for administration of the Palmetto Fellows Scholarship Enhancement. The General Assembly established the Palmetto Fellows Scholarship Enhancement in order to foster scholarship among the State's postsecondary students through awards based on scholarship and achievement. The purpose of the Palmetto Fellows Scholarship Enhancement Program is to recognize the most academically talented college students throughout the state of South Carolina in the areas of mathematics and science and encourage them to attend eligible colleges or universities in the State. In order to receive a Palmetto Fellows Scholarship Enhancement, all students must qualify for a Palmetto Fellows Scholarship as stipulated herein.

C. Independent and public institutions of higher learning in this or any other state in the U.S., outside the U.S. or abroad are prohibited from using the Palmetto Fellows Scholarship in programs that promote financial aid incentives or packages. Any mention of the Palmetto Fellows Scholarship in these financial aid packages must indicate the scholarship to be separate from the University that is offering the financial aid package, and reference the Palmetto Fellows Scholarship as a separate financial aid award, provided to the student by the State of South Carolina.

62-305 Allocation of Program Funds

A. Funds made available for higher education grants and scholarships under Chapter 143 of Title 59 of the 1976 Code, as amended under Act 458, South Carolina Children First: Resources for Scholarship and Tuition Act of 1996, shall be included in the annual appropriation to the Commission on Higher Education. Fifty percent of the appropriation shall be designated for the Palmetto Fellows Scholarship Program and the remaining fifty percent shall be for the Need-based Grants Program. However, in instances where the equal division of the appropriated funds between the Palmetto Fellows Scholarship and Need-based Grants Programs exceeds the capacity to make awards in either program, the Commission on Higher Education has the authority to re-allocate the remaining funds between the two programs. ~~The Commission on Higher Education shall award to eligible students attending eligible independent or public institutions as Palmetto Fellows Scholarships as follows:~~

~~—1. Of the funds allocated to public institutions, the percentage shall be equivalent to the percentage of the public institution's share of the total South Carolina resident undergraduate full-time headcount enrollment in the preceding year.~~

~~2. Of the funds allocated to independent institutions, the percentage shall be equivalent to the percentage of the independent institutions' share of the total South Carolina resident undergraduate full-time headcount enrollment in the preceding year and will be determined annually by the South Carolina Commission on Higher Education and the Tuition Grants Commission.~~

B. Under the South Carolina Education Lottery Act, a designated amount shall be allocated for Palmetto Fellows Scholarships and shall be included in the annual appropriation to the Commission on Higher Education.

C. After expending funds appropriated for Palmetto Fellows Scholarships from all other sources, there is automatically appropriated from the general fund of the State whatever amount is necessary to provide Palmetto Fellows Scholarships to all students meeting the requirements of Section 59-104-20.

D. The Palmetto Fellows Scholarship Enhancement is contingent upon the availability of funds appropriated by the General Assembly each academic year.

Credit hours earned before high school graduation, including Advanced Placement (AP) credit hours, International Baccalaureate (IB) credit hours, exempted credit hours as well as credit hours earned on active duty, must be placed on the student’s official college transcript by the institution at which they are earned, and be counted toward the annual credit hour requirement for the purposes of the Palmetto Fellows Scholarship Enhancement.

B. The high schools and home school associations must submit a list to the Commission on Higher Education indicating the names of all students who meet the eligibility criteria at their high school. The list should indicate whether the student is submitting a completed application or declining the opportunity to apply. If the student declines the opportunity to apply, the high school will submit a form for each of these students, signed by both the student and the parent/guardian and indicating the reason(s) for not submitting an application. Students who decline to apply for the Scholarship forfeit any future eligibility under this Program.

C. Applications for early awards must be submitted to the Commission on Higher Education for the Palmetto Fellows Scholarship by the date established in December each academic year. Students must meet one of the following set of academic criteria in order to be eligible to apply for the early awards (students cannot use the early awards criteria to apply during the ~~final~~ late awards):

1. Score at least 1200 on the SAT or 27 on the ACT through the November test administration of the senior year; earn a minimum 3.50 cumulative GPA on the ~~2007~~ current SC Uniform Grading Policy (UGP) at the end of the junior year; and rank in the top six percent of the class at the end of either the sophomore or the junior year; or

2. The alternate criteria of a S score at least 1400 on the SAT or 32 on the ACT through the November test administration of the senior year and earn a minimum 4.00 cumulative GPA on the UGP at the end of the junior year, without regard to class rank.

3. High schools or home school associations that do not rank as an official policy; or high schools whose grading policy deviates from the current SC Uniform Grading Policy and do not convert the graduating class grades to the current SC UGP to determine class rank, must use the alternate criteria of meeting the academic requirements for the Palmetto Fellow Scholarship.

4. High schools or home school associations shall not use ranking for the sole purpose of obtaining eligibility for the state scholarships.

D. Applications for ~~final~~ late awards must be submitted to the Commission on Higher Education for the Palmetto Fellows Scholarship by the date established in June each academic year. Students must meet one of the following set of academic criteria in order to be eligible to apply for the ~~final~~ late awards:

1. Score at least 1200 on the SAT or 27 on the ACT through the June test administration of the senior year; earn a minimum 3.50 cumulative GPA on the UGP at the end of the senior year; and rank in the top six percent of the class at the end of the sophomore, junior or senior year; or

2. Score at least 1400 on the SAT or 32 on the ACT through the June test administration of the senior year and earn a minimum 4.00 cumulative GPA on the UGP at the end of the senior year, without regard to class rank.

3. 4. High schools or home school associations shall not use ranking for the sole purpose of obtaining eligibility for the state scholarships.

E. Students must have official verification that they earned the requisite score on the SAT ~~I~~ or an equivalent ACT score. ~~The Commission on Higher Education shall convert all ACT scores to the equivalent SAT scores.~~ In order to determine the minimum composite score for the SAT, students must use the highest Math score combined with the highest Critical Reading score. However, students cannot use the Writing subsection score to meet the minimum SAT score requirement. In order to determine the minimum composite score for the ACT, students must use the highest composite score based upon one test administration.

F. Grade point averages must be based on the 2007 current SC Uniform Grading Policy, reported with at least two decimal places, and may not be rounded up.

G. Class rank must be based on the SC Uniform Grading Policy using diploma candidates only. Class rank is determined at the end of the sophomore, junior and senior years (not the beginning of the next school year) before including any summer school coursework or including any students who transfer into your high school after the school year ended in May/June. Students cannot be removed from the class because they did not meet the eligibility criteria to apply, declined to apply, are not residents of the State, do not meet citizenship requirements, plan to attend college out-of-state, etc. The class rank information must include all students who attended your high school that school year.

H. The number of students included in the top six percent of the class will be the next whole number if the top six percent is not already a whole number. For example, a class size of 185 students would include the top twelve students since 11.1 rounds up to twelve. For those high schools with fewer than twenty students in the class, the top two students (students ranked as number one and two) shall be considered for the Scholarship regardless of whether they rank in the top six percent of the class. These students must meet all other eligibility criteria.

I. In order to apply for the Palmetto Fellows Scholarship using rank as one of the eligibility criteria, home school students must be a member of an approved home school program (as defined in relevant State Statute) that provides an official class rank for their members. The home school association must submit a rank report on the association's letterhead that includes the class rank and GPA based on the 2007 current SC Uniform Grading Policy for all home school students in the applicant's class. If a home school student is unable to obtain rank verification, he/she may also be eligible to apply using the alternative criteria of scoring at least 1400 on the SAT (or 32 on the ACT) and earning a minimum 4.00 cumulative GPA on the UGP, without regard to class rank. These students must meet all other eligibility criteria.

J. For schools or home school associations that do not rank as an official policy, students must use the alternate criteria to meet eligibility requirements for the Palmetto Fellows Scholarship.

~~K. J.~~ For the purposes of meeting the rank criterion, the existing high school rank of a South Carolina resident attending an out-of-state high school may be used, provided it is calculated pursuant to a state-approved, standardized grading scale at the respective out-of-state high school. If the Commission on Higher Education determines that a state-approved standardized grading scale substantially deviates from the S.C. Uniform Grading Scale, the state-approved, standardized grading scale shall not be used to meet the eligibility

requirements for the Palmetto Fellows Scholarship. The guidance counselor from the out-of-state preparatory school also has the option of converting the cumulative GPAs of all students in the applicant's class to the current SC UGP to determine if the student ranks within the top six percent of the class and must provide a ranking report that identifies all students in the applicant's class and their respective GPA's based on the SC UGP. When converting scores to the SC UGP, weighting must adhere to the SC UGP (i.e. honors no more than .50 and AP/IB no more than 1.0). In addition, scores/grades must correspond to the SC UGP. For example, if a student earned a 90 in an honors class, the conversion of the scores/grades must be equivalent to the points assigned according to the current SC UGP. To be considered equivalent, the out-of-state school's grading scale must adhere to the following minimum requirements:

1. Must include all courses carrying Carnegie units, including units earned at the middle school and high school level;
2. To be equivalent to an "A" letter grade, the numerical average must be ≥ 93 ; to be equivalent to a "B" letter grade the numerical average must be between 85 and 92; to be equivalent to a "C" letter grade the numerical average must be between 77 and 84; to be equivalent to a "D" letter grade the numerical average must be between 70 and 76; and to be equivalent to a "F" letter grade the numerical average must be between 62 and 69 (if a course with a numerical average of < 62 is considered passing by the high school the student earned the grade, then a 73 numerical average should be given);
3. Cannot add more than one half (.50) additional quality point for honors courses; cannot add more than one additional quality point for dual enrollment (DE) courses, Advanced Placement (AP) courses, and standard level International Baccalaureate (IB) courses; and, cannot add more than two additional quality points for higher level IB courses;
4. Must classify all other courses as College Preparatory if they are not already classified as honors, DE, AP or IB. For a class to be classified as honors, the course must be in English, mathematics, science or social studies or be the third/fourth level for all other content areas; and
5. If no numerical average is available, all letter grades must be converted to the equivalent numerical average based on the following: all "A" letter grades must be converted to a 96 numerical average, all "B" letter grades must be converted to a 88 numerical average, all "C" letter grades must be converted to a 80 numerical average, all "D" letter grades must be converted to a 73 numerical average, and all "F" numerical averages must be converted a 61 numerical average.

~~L. K.~~ Students who attend out-of-state preparatory high school may also be eligible to apply by using the alternative criteria of scoring at least 1400 on the SAT (or 32 on the ACT) and earning a minimum 4.00 cumulative GPA on the current SC Uniform Grading Policy. The student's guidance counselor must convert the student's grades to the UGP to determine if the student meets the GPA requirement These students must meet all other eligibility criteria, including South Carolina residency requirements.
