From: Dr. Gail M. Morrison, Director of Academic Affairs and Licensing

Analyses of Five New Program Proposals

Please find attached the staff summaries and analyses for five new program proposals, Agenda items 2a-2f. The proposals were mailed to you earlier. The program from S.C. State had been deferred until a later date pending the outcome of discussion with staff to resolve several issues of concern. Please discard this program.

As always, please do not hesitate to call me should you have any questions or concerns about our analyses or recommendations.
