**Analysis of Tuition & Required Fees
Academic Year 2014-15
*With Spring 2015 Updates***

The following tuition and required fees schedule is presented with Spring 2015 updates. The following institutions submitted Spring 2015 changes.

Medical University of South Carolina (MUSC) – Graduate in-state tuition decreased by \$114, and graduate out-of-state tuition decreased by \$407. The decrease is due to the addition of a new graduate studies program, which lowered full-time graduate rates for both in-state and out-of-state.

Coastal Carolina University – Undergraduate in-state and out-of-state tuition increased by \$80, and graduate in-state and out-of-state tuition increased by \$72. The increase is due to compliance with the federal Affordable Care Act (ACA). The University is required to offer health insurance benefits to employees who do not otherwise qualify for such benefits from the institution, but who do meet certain federal eligibility criteria. Because the State has not appropriated funding to the University for the additional expense that will be generated by the ACA, on May 9, 2014 the Board of Trustees passed a \$40 fee per semester for full-time students regardless of residency and a \$4 per credit hour fee for part-time students to help offset these costs. Delays in implementation caused the required fee not to be added until the Spring semester. On December 1, 2014 current students were sent an email explaining the increase.

Francis Marion University – Undergraduate in-state and out-of-state, as well as graduate in-state and out-of-state tuition increased by \$44. The increase is the result of a three year resolution to increase the information technology fee approved by the Board of Trustees in 2012. Spring 2015 is the last year of this resolution. The fee increase is published on the University website, included in the annual academic catalog, and included in the course guides provided to students each semester when they enroll in classes.

Florence-Darlington Technical College - In-state and out-of-state tuition increased by \$24. The increase was approved by the College's Board on September 24, 2014 and posted on the College website under Admissions/Tuition tab. The increase is due to the implementation of the annual HEPI increase authorized by the State Tech Board.

⁴Funding for maintenance and renovation reserves is handled as an allocation of budget as opposed to a dedicated portion of tuition and required fees.

Disclaimer: The tuition and fees listed are those presently in effect. By action of the Institutions' Board of Trustees or the South Carolina Legislature, they are subject to change at any time.

***Definitions:**

Registration Fee - Self explanatory (these are not application fees)

Debt Service (institutional bonds) - Amount charged to students related to the payment of State Institution Bonds. These bonds are guaranteed by the full faith and credit of the state but do not go against the bonding capacity of the state since the liability looks first to student tuition.

Debt Service (revenue bonds) - Amount charged to students for payment of non-institution bonds (i.e. Higher Education Bonds, Academic and Administrative Facilities Revenue Bonds, Athletic Facility Bonds (for those institutions classifying athletic programs as student services), etc.) These bonds are serviced by student required fees.

Plant Improvement (capital expenditures) - Amount charged to students for capital projects to repair, renovate, and acquire property. These are expenditures creating future benefits.

Maintenance Repair & Renovation Reserve - Funds set aside for operating costs associated with repair, renovation, and/or system renewal if not capitalized.

Dedicated Fees - Funds used for a specific operation and ONLY that operation. The balance may be carried over at the end of the year.

Student Activity Fees (E&G) - Funds collected which require every student to pay the prescribed mandatory fee and all revenues generated from use of the fee shall be used only for support of those programs for the benefit of the campus community.

Education and General, Other - Funds that support Institutional activities of instruction, research, and public service that are derived from and support its primary role and mission.
