These amendments include: 1) clarification that each academic year's annual maximum grant must be based on the amount of available program funds- removal of the language that allows the recipient to receive the full annual benefit in the final semester of enrollment as required for degree completion 2) a change in qualification such that a SC National Guard Member becomes qualified for program funding upon completion of Basic Training and Advanced Individual Training rather than upon enlistment; revision to the language regarding the proration of awards for less than full-time students; and 3) codification of a budget proviso enabling appropriations to the SC National Guard College Assistance Program are to be carried forward to a subsequent fiscal year and expended for the same purpose, and to be exempted from any midyear budget reductions. The amended regulation incorporates these changes and further clarifies procedures for administration of the program added definitions for qualified member, good standing, and four years.~~
