

## **Statutory Authority of the Commission on Higher Education** **Divided into Coordination, Commentary and Financial** **Authority**

Following the analysis of the statutes and provisos by CHE staff and determination of responsibility, status, and priority, an EXCEL summary was created to summarize the results. The summary captured each part and sub-part of each statute and proviso and created a colored pictorial of the status assigned to each classification where **RED** was assigned when our resources did not permit us to address the directive or the directive was no longer valid; **YELLOW** was assigned when the directive was not fully satisfied within our existing resources; and **Green** was assigned when CHE's existing resources allowed us to fully address the directive.

The EXCEL summary identified 163 unique directives. Of these, 104 were assessed as **Green**, 25 as **Yellow**, and 36 as **Red**.
