**I. Call to Order**

Commissioner Temple called the meeting to order at 9:40 a.m. Ms. Blake introduced guests in attendance.

The following matters were considered:

**II. Approval of Minutes of Meeting on May 1, 2014**

A motion was made (Hanna), seconded (Phillips), and carried to approve the minutes of the May 1, 2014 meeting.

**III. Consideration of Operating Budget for the SmartState Program Fiscal Year (FY) 2014-15**

Mr. Glenn described the SmartState program to Committee members stressing its importance. He noted that the SmartState Review Board has awarded \$197.6 M for the creation of 51 Centers of Economic Excellence and 88 specialized endowed professorships. Mr. Glenn explained that the proposed FY 2014-15 operating budget has been reduced from the FY 2013-14 approved budget plan from \$767,997 to \$640,204. He noted that the reduction in the proposed operating budget is due largely to reduced costs relating to program staffing which has decreased by \$99,468 and \$30,699 for personnel wage and contributions decreases, respectively.

Chairman Finan asked if decreasing the budget was a good idea if the University of Charleston comes on at the end of the legislative session. Ms. Julie Carullo explained that the budget being brought before the Committee is only the operating budget and would not be affected by the introduction of the University of Charleston.

With no further questions, it was moved (Hanna), seconded (Phillips), and voted to commend favorably to the Commission for its approval the proposed FY 2014-15 annual operating budget for the SmartState Program.

#### **IV. Other Business**

The FY 2013 Agreed Upon Procedures Audit was presented for information. Commissioner Temple noted that findings were minor and directed the Committees attention to the included letter dated May 19, 2014 with comments from staff regarding the findings.

The list of Capital Projects & Leases processed by staff for May 2014 was presented for information. Mr. Glenn noted that Lander University submitted their 2013-14 Maintenance Needs project which was included with a supporting narrative. He added that Lander is the last of the 33 institutions to submit their project using the 2013 Lottery Appropriations. Mr. Glenn also noted that there was an amendment to the staff approvals list. He handed out a revised sheet to Committee members and explained that the College of Charleston's Rutledge Rivers Residence Hall Renovation project was added to the staff approvals list. He stated that because of concerns regarding the cost per bed, the Committee agreed to accept this project as part of the institution's FY 2014-15 CPIP year one with the understanding that it will come through the interim capital project process when final costs are determined. Phase I (pre-design) will allow the institution to define these costs, therefore staff approved phase I (pre-design) and phase II (construction) will be brought before the Committee and Commission for final review and approval.

With no further business, Commissioner Temple adjourned the meeting at 10:00 a.m.

Respectfully submitted,

Courtney W. Blake  
Recorder

**DESCRIPTION OF INTERIM CAPITAL PROJECT FOR CONSIDERATION**

August 7, 2014

**COASTAL CAROLINA UNIVERSITY**

**PROJECT NAME:** University Place Acquisition  
**REQUESTED ACTION:** Establish Project  
**REQUESTED ACTION AMOUNT:** \$80,000  
**INITIAL CHE APPROVAL DATE:** N/A

<b><u>Source of Funds</u></b>	<b><u>Previous</u></b>	<b><u>Change</u></b>	<b><u>Revised</u></b>
Renovation Reserve/Plant Expansion	\$0	\$80,000	\$80,000
<b><i>Total</i></b>	<b><i>\$0</i></b>	<b><i>\$80,000</i></b>	<b><i>\$80,000</i></b>

**DESCRIPTION:**

The University requests approval to establish a project to start the phase I environmental and building condition assessment on 54.338 acres located half a mile from the main campus that includes 573 apartments with 2,079 beds and 11 activity/pool house/support/storage spaces known as University Place. Currently, the University has a lease purchase arrangement for this facility with the Coastal Housing Foundation. The University pays 1.3 times debt service through 2042 with a \$1 purchase option which can be exercised in 2042. With approval of this project, the University plans to cancel the current lease and release the outstanding JEDA bonds issued by the housing foundation. The debt service would then be supported by the current operations of University Place. The overall savings to the University on the lease arrangement would be \$66.9M through 2042. Savings on debt service would be approximately \$17M due to the University's higher bond rating. By lowering the amount required to be paid through the lease, the University can utilize the housing revenue funds not paid as lease payments for renovations. This project is not included in the institution's FY 2014-15 CPIP year one; however, renovations of University Place were included in the institution's FY 2014-15 CPIP years one through five. The total projected cost of the project, including acquisition cost is \$98,335,000 to be funded with Revenue Bonds.

**E&G MAINTENANCE NEEDS:**

N/A – Land/Building Acquisition

**ANNUAL OPERATING COSTS/SAVINGS:**

The project is not expected to generate additional operating costs. These costs are already included in the existing budget since the University currently leases the units.

**RECOMMENDATION:**

Staff recommends approval of this project as proposed.

Notes:

- 1) Funds were carried over from FY 2011-12 (\$1,253,581) and FY 2012-13 (\$36,933) via an appropriation of excess unclaimed prize funds received at fiscal year-end
- 2) Funds represent administrative support authorization included in the FY 2013-14 Appropriation Act. SmartState matching funds are added as endowed chair's matches are perfected. No new funds have been appropriated for SmartState since FY 2008-09.
- 3) The Education Endowment was initially established with Barnwell Nuclear Fee Revenues but is now supported solely with State General Funds. Per SC Code of Laws, Section 48-46-30(F), the Endowment is to be funded at least at the 1999-2000 levels. Higher education funds from the endowment are divided per statute equally between Palmetto Fellows and Need-Based Grants. In FY 2013-14, the appropriation for the Charleston Transition Connection was transferred to the Need-based grant component of the Education Endowment making the total Need-based grant allocation \$12,179,178. These
- 4) CHE and the Technical College System Office share administrative responsibilities for LTA. As of a proviso change effective with FY2011-12, the appropriation for LTA is split between CHE and the SC Technical College System Office. Of the \$49.1 million appropriated in FY 13, \$2.455 million comes to CHE to support LTA grants to students at USC 2-Yr Campuses and Spartanburg Methodist College
- 5) Fund balance for the National Guard Loan Repayment Program is held in trust and used to support the National Guard Tuition Assistance Program payments \$4,545,000 (increased from \$1.7M in FY 13) provided in Lottery. National Guard Loan Repayment closed to new participants in 2007 in lieu of the established College Assistance Program.
- 6) Dayco Scholarships are budgeted as awards are made.

7/16/2014	New	Coastal Carolina	Front Street (Georgetown County)	<p>The facility consists of multiple storefronts and four apartments which will be used as a joint facility providing community engagement with Georgetown County. The property is located on the waterfront and includes a dock where Coastal houses the Coastal Explorer. The facility will be used for various marine science classes, other general classes, public lectures, housing of post doctorate researchers, and an expansion of the lifelong learning program. The marine science program is also looking to partner with other institutions to work on scientific research in this ideal waterfront location.</p> <p>It is the intent of Georgetown County to purchase this property from Pecan Partners, LLC and lease to Coastal Carolina. Since the time Coastal established a presence in Georgetown County, the County has included a line item on the County Budget through which Coastal has been funded annually. The County will continue to pay Coastal \$147,000 per year which will be used to pay the County back for the lease of the Front Street property. Previously, the funds provided by the County were used for lifelong learning salary expenses, support for the lifelong learning program, and scholarships for Georgetown High School students. The salary and program support will be paid for by lifelong learning and the scholarships will be requested to continue out of another funding source from the County.</p> <p>The majority of storefronts and all four apartments are currently occupied. Once the County purchases the property all tenants will receive appropriate notice to vacate the premises. Coastal intends to take over the entire facility as soon as possible. While a full scale renovation is not necessary right away, the University desires to combine the locations into multiple meeting and lecture spaces that</p>	<p>The annual rent amount is \$147,000 for a total cost of \$1,250,000 over the term of the lease.
