SC HOPE, LIFE, and Palmetto Fellows Scholarship Appeals Guidelines

Definition of Terms

An appeal shall be defined as the complete and timely documentation of an extenuating circumstance(s) that causes a student enrolled in college to fail to meet the academic requirements (cumulative grade point average and/or credit hours) for regaining or renewing a LIFE Scholarship or renewing a Palmetto Fellows Scholarship. An appeal is also defined as the complete and timely documentation of an extenuating circumstance(s) that causes a SC HOPE Scholarship recipient to not receive the maximum available terms of funding. **Students who fail to meet the initial eligibility criteria or who were never eligible to receive the SC HOPE, LIFE, or Palmetto Fellows Scholarship are not eligible to submit an appeal.** In addition, students who fail to appeal by the established September deadline upon the first fall term of re-enrollment at an eligible South Carolina institution are not eligible to submit an appeal.

An extenuating circumstance shall be defined as a situation that involves a serious health condition of the student, death or serious health condition of an immediate family member, or a traumatic/extraordinary event. (see below)

An immediate family member shall be defined as the spouse, great-grandparents, grandparents, parents or legal guardians, brothers, sisters (including step-brothers/sisters), or children of either the student or the student’s spouse.

A serious health condition shall be defined as an illness, injury, impairment, or physical or mental condition that involves: (1) Any period of incapacity or treatment in connection with or consequent to inpatient care in a hospital, hospice, or residential medical care facility; or (2) Any period of incapacity requiring absence from classes for more than five consecutive class days that also involves continuing treatment by (or under the supervision of) a health care provider; or (3) Continuing treatment by (or under the supervision of) a health care provider for a chronic or long-term health condition that is incurable or so serious that, if not treated, would likely result in a period of incapacity that would adversely affect the academic performance of the student.

A traumatic/extraordinary event shall be defined as a sudden, uncontrollable event which adversely affects the student’s academic performance, such as a natural disaster (earthquake, hurricane, tornado, etc.), divorce, sexual assault, required missionary duty, active military duty, death of a significant non-immediate family member, or any other events deemed traumatic/extraordinary by the Commission.

**Extenuating Circumstances**

Extenuating circumstances are the following situations:

- Serious health condition of the student;
- Death or serious health condition of an immediate family member; or
- Traumatic / Extraordinary event

In order to determine if a particular situation is an eligible extenuating circumstance, refer to the above “Definition of Terms.” Please be aware that poor academic performance prior to the documented extenuating circumstance will impact the outcome of an appeal. **A student cannot appeal the loss of scholarship due to an institution’s lack of or failure to provide adequate accommodations (i.e.: note taker, extended test taking time, attendance flexibility). Students who have never been awarded or received the LIFE, SC HOPE or Palmetto Fellows Scholarships are not eligible to file an appeal.**
*Please Note*: A traumatic event DOES NOT include college adjustment issues, such as homesickness, problems with roommates, problems with the faculty or staff at the college or university, difficult course-load, misunderstanding of scholarship requirements, misadvisement by financial aid officers or advisors, dependent care issues, transportation problems, financial issues, exceptions to scholarship regulation (initial eligibility, transfer issues, exceeding terms of eligibility), etc. *This is not an exhaustive list.* Other issues may be deemed as inappropriate for appeal.

**Notification of Scholarship Eligibility**

**SC HOPE and LIFE Scholarship:**
Each institution is responsible for notifying students about financial aid awards through normal institutional notification procedures, such as personal financial award accounts within the institutional system available for all students to review; telephone notification; award letters; and student bills. Therefore, each student awarded the SC HOPE or LIFE Scholarship must make himself or herself aware of the institutional notification process and his or her SC HOPE or LIFE Scholarship eligibility. If a SC HOPE or LIFE Scholarship recipient finds that he or she is ineligible and would like to file an appeal, appeal applications are available on page 9 of this document. If a student wishes to submit an appeal, then he or she must follow the approved appeals process.

**Palmetto Fellows Scholarship:**
Each institution is responsible for notifying students about financial aid awards through normal institutional notification procedures, such as personal financial award accounts within the institutional system available for all students to review; telephone notification; award letters; and student bills. Therefore, each student awarded the Palmetto Fellows Scholarship must make himself or herself aware of the institutional notification process and his or her Palmetto Fellows Scholarship eligibility. If a Palmetto Fellows Scholarship recipient finds that he or she is ineligible and would like to file an appeal, appeal applications are available on page 9 of this document. The student’s home institution will notify each Palmetto Fellow of the discontinuation of their Palmetto Fellows Scholarship and provide information about the opportunity to appeal. If a student wishes to submit an appeal, then he or she must follow the approved appeals process.

**Time Limitation for Filing an Appeal**
The regulations governing each scholarship program allows for you to appeal the loss of your scholarship and request reinstatement should you have a legitimate extenuating circumstance as defined in these guidelines that prevented you from meeting the continued eligibility criteria. Appeals solely pertaining to either LIFE or Palmetto Fellows Scholarship Enhancements will not be considered. Only one appeal is allowed to be submitted each academic year. If you wish to submit an appeal, please contact your financial aid office for the appeals information or you may also access the appeals information on our website by visiting [www.che.sc.gov](http://www.che.sc.gov) or you can access the appeals application [here](http://www.che.sc.gov). Appeals must be submitted by the established September deadline upon the first fall term of re-enrollment at an eligible South Carolina institution after losing eligibility for a state scholarship. For this academic year, your appeals information must be received by the Commission no later than 5:00 pm on **Friday, September 22, 2017**. No appeals applications will be accepted **AFTER 5:00 pm on September 22, 2017**. Students who submit an appeal after the deadline will **NOT** have their appeal heard. Please note that students who have never been awarded or received the LIFE, SC HOPE or Palmetto Fellows Scholarships, or who failed to meet the continued eligibility requirements to regain a previously lost scholarship are not eligible to file an appeal.
Filing an Appeal
The following is a checklist of the appeals documentation the student must submit to be considered:

☐ **Application for Appeal**
1) The student may obtain an Application for Appeal from the Commission on Higher Education’s website at [http://www.che.sc.gov/Students,FamiliesMilitary/Appeals.aspx](http://www.che.sc.gov/Students,FamiliesMilitary/Appeals.aspx)
2) The application must be completed and signed by the student. An unsigned application will be considered incomplete. It is not the responsibility of Commission staff to inform appellants if the application or portions thereof, are incomplete. Therefore, the incomplete appeal will not be considered.
   * If your application remains incomplete by the close of the deadline, CHE will notify you within five business days after the deadline via email that your appeal will not be considered. You will not be able to submit the missing documentation or be considered for reappeal if you have an incomplete application.

☐ **Letter of Request (Must be written and signed by student)**
1) The student must state the reason for appealing and describe the extenuating circumstance(s) as defined in these guidelines that prevented him/her from renewing the scholarship. A student should specify the term and academic year for which they are appealing.
2) The student must provide an explanation as to why he/she did not attend any and all terms during the academic year in question, including Maymester and summer school (Sessions I & II). A student must receive permission from a doctor (see number 1 under “supporting documentation below”) in order to take a reduced course load for the academic year in question. The reduced course load would need to be approved and the documentation of the reduced course load on file at the home institution’s Disabilities Office and/or the financial aid office prior to the start of each term.
3) Summer school provides an additional opportunity for students to increase their LIFE GPA or Institutional GPA, and/or earn additional credit hours for continued scholarship eligibility. It is expected that students will attend Maymester and summer school to meet ALL continued eligibility requirements (credit hours and/or LIFE GPA) for the LIFE and (credit hours and/or institutional GPA) for the Palmetto Fellows Scholarships. A student must receive an excuse from a doctor if he/she is unable to earn the credits and GPA to regain their scholarship during Maymester and summer school. Financial situations will not be taken into consideration for not attending Maymester and summer school. Students who do not attend Maymester and summer school must provide an explanation as to why they did not attend.
4) The hours and grades earned during summer school will be considered in the appeals deliberation, and can affect the outcome of the appeal.
5) If the student is appealing because of poor academic performance, the student must explain to the Committee whether he/she used the institutional appeals process to have the grades changed due to an extenuating circumstance each term. The student must also explain each term of poor academic performance.
6) If the student is appealing due to a death of an immediate or a non-immediate family member, the student must provide documentation of the death (i.e.: obituary, funeral program, death certificate) as well as explain in detail (1) the extent of the relationship; (2) how this situation affected his/her inability to meet academic requirements to renew the scholarship; and (3) how the situation meets the definition of a traumatic/extraordinary event. The student must also provide a letter from a professional
counselor detailing how the traumatic or extraordinary event affected the student’s academic performance during the academic year in question.

7) If the student is appealing due to a chronic or long-term health condition, the student must be registered with the Institutional/Campus Disabilities Office prior to the start of each academic term, and the student should address this in their letter.

**Supporting Documentation**

Students are ultimately responsible for providing sufficient supporting documentation with their appeal which satisfies the burden of proof of an extenuating circumstance. Self diagnosis or parental diagnosis of medical or mental health related conditions will not be considered for appeal. All appeals must include supporting documentation providing diagnosis from licensed professionals (i.e. physician, psychiatrist, etc.). Documentation shall include but is not limited to the following:

**For medical-related appeals:**
1) Signed letter from the physician on letterhead (medical, psychiatrist, and/or psychologist) detailing duration and extent of serious health condition (this letter must include specific details and time period regarding the health condition) and any recommendations made regarding school non-attendance (fall, spring, Maymester and summer);
2) For chronic or long-term health conditions, official letter from the Institutional/Campus Disabilities Office verifying that the student is registered with their office. The letter must include specific details regarding all accommodations including any reduced course loads;
3) If the student served as a primary caregiver, documentation from a doctor or physician detailing time period in which student served in that capacity from doctor.
   **DO NOT** submit any insurance statements, account information, list of charges/appointments, etc.

**For death-related appeals:**
1) Signed letter from the professional counselor on letterhead (psychiatrist, and/or psychologist, minister, etc.) detailing duration and extent of grief period (this letter must include specific details and time period regarding the effect the loss had on academic performance) and any recommendations made regarding school non-attendance (fall, spring, Maymester and summer);
2) Death certificate;
3) Newspaper obituary; and
4) Funeral program

**For traumatic/extraordinary event appeals:**
1) Signed letter from the professional counselor on letterhead (psychiatrist, and/or psychologist, minister, etc.) detailing duration and extent of event (this letter must include specific details and time period regarding the effect the event had on academic performance) and any recommendations made regarding school non-attendance (fall, spring, Maymester and summer);
2) Police report;
3) Major medical documentation (excluding insurance statements and bills); and
4) Legal/Court documents.
Other relevant documentation:

1) For poor academic performance, official letter from the college or university verifying the outcome of the institutional appeal or a statement from the student to explain why he/she did not utilize the institutional appeals process; and/or
2) Any other documentation, which will substantiate the appeal.

☑️ Official Academic Transcripts

1) The student must request an official transcript(s) from current and any/all previous post-secondary institutions attended, enrolled, and/or earned credit hours from, including dual enrollment coursework. If an institution is using courses for GPA/credit hours, then a transcript from the institution in which the credit hours were earned needs to be provided to the Commission. **Please note that grades and credits earned through dual enrollment must be presented on the official transcript from the institution through which they were earned** (high school transcripts will not be accepted). Even though some institutions will place credits on their transcript if they are earned at a different institution, they may not list the grades earned, which could impact an appeal. For this reason, we ask for official transcripts from every institution attended, even those institutions attended through dual credit programs.

Academic transcript(s) must be in an officially sealed envelope from the institution(s) and may be mailed with the appeals application or be mailed directly from the institution to the Commission on Higher Education, Attn: Scholarship Appeals, 1122 Lady Street, Suite 300, Columbia, SC 29201 or be included with the Application for Appeal. **Please note that unofficial transcripts will not be considered.** It is the student’s responsibility to ensure that all transcripts are sent by the institution and received by the Commission no later than 5:00pm on **September 22, 2017,** **EVEN IF YOU HAVE PREVIOUSLY APPEALED, NEW/UPDATED TRANSCRIPTS MUST BE SUBMITTED IN ORDER FOR AN APPEAL TO BE HEARD.**

Should you wish you submit an electronic transcript, it is the student’s responsibility to verify with the institution that the electronic submission will be considered “official” and therefore may be used for a complete appeal submission. The Commission cannot guarantee that any electronic transcript will be considered official and acceptable for processing. Any electronic submissions direct from the student or electronic submission that demonstrates “unofficial” will **NOT** be accepted.

It may be in your best interest to request an official hard copy be sent to the Commission.

☑️ Submission of Application for Appeal

1) The completed application and all other documentation must be received by the Commission on Higher Education by **September 22nd** of the academic year that scholarship aid is requested. Incomplete applications will not be considered. **It is the student’s responsibility to ensure that all documents are submitted to the Commission by the deadline including a detailed student letter, completed application signed by the student, all necessary transcripts and supporting documentation. It is not the responsibility of CHE staff to ensure that the student’s file is complete or that the information in the file is correct. Commission staff will NOT contact the student, parent/guardian or the institution to ensure the student’s files are complete for review.**
Notification Process for Appeals Decisions

Once the decision regarding an appeal has been determined, the Commission on Higher Education will notify the student via e-mail, and, if approved, the institution will also be notified. Students who attend Maymester, Summer I or II should be aware that a decision on their appeal will be held until the student has completed all Summer work, and has submitted updated official transcripts to reflect the summer grades/credit hours to the Commission by the established September 22, 2017 5:00 pm deadline.

Upon receipt of a denial decision e-mail, the student will have 5 business days from receipt of e-mail to submit in writing a request to have the Appeals Committee reconsider his or her appeal (this request can be made via email, postal mail, or hand delivered to the Commission). PLEASE NOTE THAT NO ADDITIONAL INFORMATION WILL BE ACCEPTED WITH A RECONSIDERATION REQUEST. No requests for re-appeal will be accepted after 5:00 pm on October 27, 2017. If the student has filed an appeal, and has yet to receive notification of a decision by October 20, 2017, he/she is responsible for contacting the Commission on Higher Education to determine if a decision has been made, so that they may submit a re-appeal before the October 27, 2017 deadline. For re-appeals, the Appeals Committee will review only the information submitted with the student's original appeal. No additional information will be accepted after a decision has been rendered regarding the student’s completed initial appeal. Decisions should be rendered by January 1st. The Appeals Committee’s decision is final.

Students should understand that their appeal may not be granted. Therefore, they must take the necessary actions to secure funds to pay their tuition and fees during the time the appeal is being reviewed. If the appeal is granted, the scholarship funds may be awarded retroactively. In addition, CHE does not guarantee that a decision will be rendered prior to any institutional deadlines for tuition and fee payment. In these cases, it is up to the student to ensure that any financial obligation to the institution is fulfilled. If the appeal is granted, the scholarship funds may be awarded retroactively.

Approval of Appeals
If an appeal is granted to a student who does not have the required cumulative 3.0 grade point average or the required number of credit hours, he or she may receive scholarship funding only for the academic year for which the appeal was granted. After the completion of that academic year, the student is expected to comply with all eligibility requirements as stipulated in the grant e-mail, in order to receive scholarship funding for each subsequent academic year.

Appeals Committee
The Appeals Committee Membership may be comprised of the following at a minimum:

♦ One representative from the staff of the SC Commission on Higher Education;
♦ One representative from the board of the Commission on Higher Education;
♦ Three institutional representatives of which one will be from a public senior college, one from a private senior college, and one from a two-year/technical college;

☐ Did you attend Maymester and/or summer school to meet continued eligibility requirements, or at least to improve your standing in the eyes of the Appeals Committee? If not, please explain why you chose not to attend. If your reason for non-attendance was related to your extenuating circumstance, please provide the appropriate paperwork from a medical professional or counselor recommending/requiring your non-attendance.

☐ Did you complete, sign and enclose your application and letter? Have you provided a valid telephone number and email in case staff needs to contact you? (Please note that the student who is appealing must write/type and sign the letter. Appeals packets containing unsigned letters and incomplete or previous versions of the Appeals Application will not be considered.)

Letter

☐ Did you provide an explanation and documentation for any summer school sessions that you did not attend? It is expected that students will attend Maymester and/or summer school to meet ALL continued eligibility requirements (credit hours and/or GPA) for the LIFE and Palmetto Fellows Scholarships. Financial situations will not be taken into consideration for not attending summer school.

☐ Does your letter address whether or not you underwent the institutional appeals process?

Does your medical documentation/doctor’s letter cover the entire time period of poor academic performance and or non-attendance? (If the student is appealing because of poor academic performance, the student must explain to the Committee whether he/she used the institutional appeals process to have the grades changed due to an extenuating circumstance each term. The student must also explain each term of poor academic performance.)

If you are appealing due to death of a family member/non-immediate family member, did you include a letter from the counselor explaining how this traumatic extenuating circumstance affected your academic performance? Did you include supporting documentation in regards to the death? (Obituary, and/or death certificate, and/or funeral program)

Transcripts

Did you send or request for transcripts to be sent for all of the colleges/universities you have attended? Is each transcript in an official, sealed envelope from the institution?
