

**SOUTH CAROLINA NATIONAL GUARD STUDENT LOAN REPAYMENT PROGRAM (SLRP)
ANNUAL APPLICATION (ACADEMIC YEAR 2011-12)**

Federal Privacy Act Information: Public Law 93-579, referred to as the Federal Privacy Act, became effective September 27, 1975. Section 7b of this law requires any Federal, State, or local agency that requests an individual to disclose his/her social security number to inform the individual whether that disclosure is mandatory or voluntary, by which statutory or other authority the number is solicited, and what uses could be made of it. The Commission on Higher Education requests that each applicant for its student aid programs submit a social security number. If an applicant does not provide his/her social security number on the application, this may delay the processing of the application. The Commission on Higher Education uses an applicant's social security number for the following purposes: to serve as a unique number for applicant and recipient identification in processing forms used in the application and in collating resulting data; to report awards to education institutions and agencies; and to report awards to the comptroller who issues checks.
