

SC TRAC User Group Conference Discussion

SC TRAC User Group Conference Discussion ACAP, October 20, 2010

The SC TRAC Project Team is planning a one-day User Group Conference to be held in Columbia in mid-February 2011 and would like to solicit your input for conference topics. Based upon recommended topics of interest, a call for user-led presentations will be issued. AcademyOne will lead a session at the conference as well.

Timeline

- 10/25/10** Emails asking for input on User Group Conference topics will be sent from AcademyOne to Provosts/CAOs and system users. Suggestions for topics collected at the October 20, 2010, ACAP meeting will also be included. Topics might include, but are not limited to, using SC TRAC for advising; creating more transfer paths in-state and from out-of-state; technical opportunities and challenges; what a new user needs to know; identification of desired enhancements; and student impact stories.
- 11/10/10** Deadline for responses from institutional users will be November 10, 2010.
- 11/18/10** AcademyOne will issue a call for presentations from users based on the most desired topics submitted.
- 12/3/10** Deadline for presentation proposals will be December 3, 2010.
- 12/10/10** AcademyOne will notify all who submitted a presentation proposal as to acceptance.
- 1/14/11** AcademyOne will issue invitations to the User Group Conference. In the same email, an invitation to “Ask AcademyOne” will be issued for the purpose of collecting questions/issues to be addressed during the User Group Conference.

Mid-February 2011 The SC TRAC User Group Conference will take place in Columbia.
