

Forwarded at the request of Mr. Clint Mullins:

Dear ADEHSGPSEA / Expanded ACAP Committee Members:

At our last meeting, you suggested that it would be helpful for the admissions officers to be present for the discussions of a statewide system for transcripts and college planning. Toward that end, invitations have been sent to statewide admissions officials and we would like to make you aware of this event as well, should you like to attend.

Following is the information that was sent to our colleagues in admissions. It includes the meeting date, time and location. As is indicated below, if you will be attending, please confirm with Ms. Saundra Carr here at the Commission.

Thank you and I look forward to seeing you soon.

Sincerely,
Clint

ORIGINAL MESSAGE TO ADMISSIONS OFFICERS

Dear Admissions Officers and Other Invited Guests:

On October 11, 2006, Dr. George Dixon, Provost Emeritus at North Carolina State University and Senior Consultant with the National College Access Partnership, along with representatives from XAP Corporation, will deliver a presentation to the Provosts and Chief Academic Officers at the next regularly scheduled meeting of ACAP here at the Commission on Higher Education. Their talk will focus on how the State of North Carolina worked to define and implement an integrated statewide system to develop and deploy a comprehensive student portal for requesting, sending, receiving and storing academic transcripts electronically.

At the most recent meeting of the EEDA's Articulation and Dual Enrollment, High School Graduation and Postsecondary Education Alignment (Expanded ACAP) Committee, it was suggested by the Provosts and other committee members that information about these kinds of systems be shared with you and your peers. In this regard, I am writing to inform you that a separate session especially for Admissions Officers has been established on the same day as ACAP (October 11, 2006) from 1:00 until 3:00 p.m. here at the Commission and to invite you to attend. The meeting for Admissions Officers and guests will be held in the first floor conference room at 1333 Main Street, Columbia (please check with the reception desk in the lobby for directions to the conference room).

Would you please confirm your attendance and/or that of your representative(s) to Ms. Sandra Carr (scarr@che.sc.gov) no later than October 2, 2006? We sincerely hope you will be able to join us for this very important meeting as we assist in facilitating discussions of potential solutions appropriate for statewide use, in keeping with the recommendations and needs of the ADEHSGPSEA Committee and the fulfillment of the goals of the EEDA.

Thank you and we hope to see you on October 11th!

Best regards,
Clint Mullins
