

Legislative Updates of interest for Higher Education Week of May 12 – May 16, 2008

Budget Update –

On Tuesday, the Senate had received the budget ([H.4800 and H.4801](#)) as amended by the House. The Senate non-concurred with the House amendments and a conference committee was named to work out the differences. The Senate conferees are Senators Leatherman, Peeler, and Land. The House conferees are Representatives Cooper, Merrill, and J. Neal. The conferees met on Wednesday to begin discussions. Items that are the same on each side were accepted. The Committee adjourned to meet again on May 19th.

Past CHE summary reports on the House and Senate recommendations for higher education are at the [Week of April 7 – April 11](#) for Senate recommendations and at [Week of May 5 – May 9](#) and the [Week of March 10 – March 14](#) for the House recommendations.

As a reminder in regard to the process, once the conference committee agrees on a report, it must be accepted in both chambers. The budget then goes to the Governor who will have the opportunity to veto items. The General Assembly will consider any vetoes before the budget is finalized.
