Summary

South Carolina State University requests approval to modify its graduate programs in teacher education to comply with the *Read to Succeed Act* of 2014 to be implemented in Fall 2016. The *Read to Succeed Act* requires that by the fall semester of the 2016-2017 school year, all pre-service teacher education programs including MAT degree programs must require:

all candidates seeking certification at the early childhood or elementary level to complete a twelve credit hour sequence in literacy that includes a school-based practicum and ensures that candidates grasp the theory, research, and practices that support and guide the teaching of reading. The six components of the reading process that are comprehension, oral language, phonological awareness, phonics, fluency, and vocabulary will provide the focus for this sequence to ensure that all teacher candidates are skilled in diagnosing a child's reading problems and are capable of providing an effective intervention...[and] candidates seeking certification at the middle or secondary level to complete a six credit hour sequence in literacy that includes a course in the foundations of literacy and a course in content-area reading (§59-155-180 of the South Carolina Code of Laws 1976 as amended).

The following chart outlines the stages of approval for the proposal; the Committee on Academic Affairs and Licensing (CAAL) voted to recommend approval of the proposal. The full program proposal is attached. Staff elevated the program modification proposal for consideration by CAAL and the Commission while the University remains on probation with the Southern Association of College and Schools Commission on Colleges.

Background Information

The SC State Senate passed S.516 (SC Read to Succeed Act) on June 26, 2014. The Department of Education at SC State University established a Read to Succeed (R2S) Committee. The Committee completed a Read to Succeed Verification Form for each program in the Department of Education.

The Read to Succeed Act requires the following changes:

- Counselor Education (CED) - Minimum of three credit hours of instruction on the reading and writing process that embeds some of the elements related to Standards 3, 4 and 6, primarily. The Read to Succeed verification approved the following courses: CED 512 Elementary Guidance, and CED 513 Secondary Guidance. Course descriptions were revised to include South Carolina Literacy Standards.
- Early Childhood Education (MAT) – Twelve-credit-hour course sequence including a school-based practicum. The Read to Succeed verification approved the following courses: ECE 513 Early Childhood Curriculum, ECE 514 Early Childhood Methods/Materials, ECE 522 Assessing and Interpreting Child Behavior, and RED 506 Studies in Children’s Literature. Course descriptions were revised to include South Carolina Literacy Standards.
- Elementary Education (MAT) - Twelve-credit-hour course sequence including a school-based practicum. The Read to Succeed verification approved the following courses: EDCI 523 Curriculum Development in the Elementary School, RED 506 Studies in Children’s Literature, RED 507 Advanced Teaching of Reading in the Pre-K and Elementary Schools, and RED 511 Instructional Methods in Teaching Reading. Course descriptions were revised to include South Carolina Literacy Standards. In summary, PE 502 was deleted and RED 511 and 507 were added. Program hours increased by three hours.
- English Education (MAT) - Six-credit-hour course sequence including a course in foundations of literacy and a course in content area reading and writing. Course descriptions were revised to include South Carolina Literacy Standards. The Read to Succeed verification approved the following course: RED 517 Advanced Teaching of Reading in Secondary Schools (3 Cr. Hrs.) was added to the Program, which increased the required credit hours.
- Biology Education (MAT) - Six-credit-hour course sequence including a course in foundations of literacy and a course in content area reading and writing. The Read to Succeed verification approved the following courses: RED 517 Advanced Teaching of Reading in Secondary Schools (3 Cr. Hrs.) was added to the Program, which increased the required credit hours.
- Mathematics Education (MAT) - Six-credit-hour course sequence including a course in foundations of literacy and a course in content area reading and writing. The Read to Succeed verification approved the following course: RED 517 Advanced Teaching of Reading in Secondary Schools (3 Cr. Hrs.) was added to the Program, which increased the required credit hours.

List the objectives of the modified program. (1500 characters)

Program objectives remain the same and were not affected by the Read to Succeed Act.

Assessment of Need

Provide an assessment of the need for the program modification for the institution, the state, the region, and beyond, if applicable. (1500 characters)

“The SC Senate passed S.516 during the 2013-2014 (6/26/14 is the completion date to be specific) Legislative Session. This last initiative affects the SCSU Department of Education Teacher Education Preparation Program. SC 59-155-180 (B) (1) states that “Beginning with students entering a teacher education program in the fall semester of the 2016-2017 School Year, all pre-service teacher education programs including MAT degree programs must require all candidates seeking certification to complete a specified number of credit hours sequence in literacy that includes a school-based practicum and ensures that candidates grasp the theory, research, and practices that support and guide the teaching of reading.”

Each English Program graduate student (M.A.T./M.Ed.) will be responsible for making a presentation to a panel of graduate professors and students on a topic related to English and English Education. This presentation should be well informed and reflect original thought. It should discuss pedagogical issues and explicitly address both state and NCATE standards. Topics should relate issues in English studies to issues in pedagogy. For instance, some sample topics might be:

- Teaching awareness of race and class to high school students.
- Bringing Milton to contemporary classes.
- Revision and rhetoric in the middle school classroom.
- Toni Morrison: "The Bluest Eye" and contemporary culture.
- "Getting It Right": Strategies for teaching grammar revision

Each presentation should include appropriate AV material, a short narrative of the research and conclusions, and a bibliography of useful print, electronic, and other resources. Grading will be P/F, with honors awarded to the top three.
