### **Proposed Regulations: SC National Guard Loan Repayment Program (Repeal) SC National Guard College Assistance Program (Amend) 2015-16 Academic Year**

#### **Background**

During the 2001 legislative session, the General Assembly approved Act 41 to create the SC National Guard Student Loan Repayment Program. The SC Commission on Higher Education (CHE), in consultation with the SC Student Loan Corporation, developed the loan repayment program for providing incentives for eligible students enlisting or remaining for a minimum of six years in either the SC Army or Air National Guard (SCNG) in areas of critical need. In 2007, to better support the recruitment goals of the SCNG, legislation was passed that closed the loan program and replaced it with a college tuition assistance program.

The legislation enacted by the General Assembly, Act 40 of 2007 closed the SC Loan Repayment Program under SC Code of Laws Section 59-111-75 to new participants beginning FY 2007-08 and provided for the phase-out of the program as obligations to enrolled participants were met. As of the academic year 2013-14, the loan repayment program has been fully closed. As a result, the existing regulation for the loan repayment program (SC Code of Regulations, R.62.200-240) is no longer applicable and may be repealed (i.e., struck in its entirety).

As referenced, a new tuition assistance program for SCNG members, the SC National Guard College Assistance Program (SCNG CAP), was implemented in academic year 2007-08. CHE in consultation with the SCNG developed program guidance, and CHE promulgated regulations for the operation and administration of the SCNG CAP pursuant to SC Code of Laws Section 59-114-10 et seq. in 2009. The program is administered by CHE in consultation with the SCNG and provides tuition assistance for eligible enlisted guard members enrolled in undergraduate programs.

The SCNG CAP provides incentives or assistance for students enlisting or remaining (for a specified time) in either the SC Army or Air National Guard by offering undergraduate college financial assistance to members of the SC Army and Air National Guard.

Individuals joining the National Guard become eligible for college assistance program benefits upon completion of Basic Combat Training/Basic Military Training and Advanced Individual Training/Technical Training. Enlisted personnel must continue their service in the National Guard during all terms of courses covered by the benefit received. Officers must continue their service with the National Guard for at least four years after completion of the most recent award or degree completion.

A SCNG CAP recipient qualifies for college assistance program benefits for no more than one hundred thirty (130) semester hours or related quarter hours from the time of initial eligibility in the program. The cumulative total of all SCNG CAP benefits received may not exceed eighteen thousand dollars (\$18,000). SCNG CAP is awarded on an annual basis. Eligible Army Guard members may receive up to \$4,500 per year and eligible Air Guard members may receive up to \$9,000 per year. SCNG CAP tuition assistance is available for eligible members attending eligible two- and four- year SC public and independent institutions. Institutions are responsible for reviewing all students based on the "Eligibility Requirements/Satisfactory Academic Progress" to determine Guard member eligibility for program benefits.

During the 2014 legislative session with the passage of Act 151 of 2014 there were three amendments to the SC Code of Laws relating to the SCNG CAP that affected Guard members' eligibility for the SCNG CAP. These amendments included: 1) clarification that each academic year's annual maximum grant must be based on the amount of available program funds; 2) required that a SCNG member becomes qualified for program funding upon completion of Basic Training and Advanced Individual Training; and 3) provided for appropriations to the SCNG CAP to be carried forward to a subsequent fiscal year and expended for the same purpose and to be exempted from any mid-year budget reductions.

As a result of the passage of the changes to the program and further review of the program in consultation with the SCNG, amendments are proposed to the program regulation in order to incorporate statutory changes effective April 7, 2014 and to clarify administrative procedures for the program. The proposed changes as marked in the attached revised regulation (**Attachment 1**) are summarized as follows:

1. Regulation language changed to be consistent with Code of Laws, relating to the National Guard College Assistance Program. The Code of Laws states that the "Academic Year" shall be defined as "the beginning" twelve month period. Language to regulations was revised to replace "that" twelve month period with "the beginning" twelve month period;
2. Amendments to the regulation to include the 2014 statutory change to clarify that each academic year's annual maximum grant must be based on the amount of available program funds. The annual maximum grant will be determined beginning each fiscal year based on state appropriation;
3. An amendment is made to include 2014 statutory changes that a SCNG member becomes qualified for program funding upon completion of Basic Training and Advanced Individual Training. Previously, a Guard member became eligible for program benefits on the day of enlistment;
4. An amendment is made to include 2014 statutory changes to acknowledge that appropriations for the SCNG CAP to be carried forward to a subsequent fiscal year and expended for the same purpose, and are exempt from mid-year budget reductions;

5. SCNG members who qualify under the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act of 1973 must receive approval by the Disability Services Provider at the home institution to be considered a full-time student. Guard members who qualify under ADA must comply with all institutional policies and procedures in accordance with ADA and meet all other eligibility requirements for program funding; and
6. Expansion of program definitions to include defining “attempted hours” and revisions to program definitions to include clarification of a degree-seeking student and satisfactory academic progress.

Additionally, the following clarifications are proposed to provide clarification to language, but will not affect how the program is currently being administered. The clarifications are:

- 1) “SC” changed to South Carolina;
- 2) “SC National Guard College Assistance Program” changed to college assistance program;
- 3) added new headings/sections and combined sections;
- 4) deleted R.62-263 C (any funds remaining in the SC National Guard Student Loan Repayment Program shall be transferred to the college assistance program);
- 5) provided clarification concerning participant application process and continued eligibility (new and currently enrolled Guard members must complete and submit an application each year prior to the beginning of the fall term of the academic year);
- 6) further clarified administrative procedures (all attempted hours from the time of initial eligibility, whether college assistance program funded or not, will count towards the one hundred and thirty maximum hours); and
- 7) expanded categories under section “Program Benefits and Maximum Assistance” to include annual maximum grant, disbursement of grant, grant cannot be used to pursue program in the same preceding level, and Guard members cannot receive funds at more than one institution during the same semester.

The SCNG CAP Advisory Committee, which includes representatives from the independent and public institutions in South Carolina and representatives from the Air Guard and Army National Guard, as well as Student Services staff, met over the course of the year to provide their input regarding the proposed amendments to the regulation for the SCNG CAP. Their recommendations were incorporated into the proposed regulation.

The proposed regulations are being advanced under the state’s Administrative Procedures Act for promulgating regulations. Final Regulations are intended to be submitted for consideration of the General Assembly during the 2015 Session.

### **Recommendation**

The Student Services staff recommends that the Committee on Access & Equity and Student Services commend favorably to the Commission the proposed regulations repealing the SC National Guard Loan Repayment Program Regulation (R.62.200-240) and the proposed regulation to amend the SCNG College Assistance Program Regulation (R.62-650-263) for submission to the State Register under the Administrative Procedures Act.
