

Statutory Authority of the Commission on Higher Education **Divided into Coordination, Commentary and Financial** **Authority**

Following the analysis of the statutes and provisos by CHE staff and determination of responsibility, status, and priority, an EXCEL summary was created to summarize the results. The summary captured each part and sub-part of each statute and proviso and created a colored pictorial of the status assigned to each classification where **Green** was assigned when CHE's existing resources allowed us to fully address the directive; **Yellow** was assigned when the directive was not fully satisfied within our existing resources; and **Red** was assigned when our existing resources did not provide the support needed to address the directive or the directive was no longer valid.

The EXCEL summary identified 169 unique directives. Of these, 108 were assessed as **Green**, 26 as **Yellow**, and 35 as **Red**.

It should be noted that 9 of the 61 directives rated **Yellow** or **Red** were recommended for deletion, leaving 52 directives partially or not satisfied within CHE's current (FY 2016-17) resources.
