

## **ATTENTION HIGH SCHOOL COUNSELORS:**

*We need your assistance to spread the word...*

- In consultation with ACT, College Board, SC Commission on Higher Education, and SC Department of Education, it is recommended that the below information be released both school-wide and to individual students (particularly seniors) in IGPs. This communication can help ensure that students have updated information early in the school year regarding the most current college admissions test dates/testing site availability.
- **Important Note:**  
In the event of test cancellations by ACT/College Board due to resurgence of Covid-19, Seniors may benefit from taking the college admission test(s) in the Fall/Winter (or as early as possible and as early as appropriate) to avoid missing later testing opportunities should resurgence occur in the Spring.
- **For Immediate Release:**  
Parents/Students may benefit from the following ACT and College Board links that provide updated testing dates as well as the most recent local testing site availability/cancellations.
