CIU's Coronavirus Response – Informational Videos

Part of CIU's response to the Coronavirus 19 outbreak is to provide information to the CIU community that will help reduce the spread of viruses.

Please take time to **view** the two videos below from the Centers for Disease Control. Then please **closely follow** the advice they provide. Total viewing time for the videos is about 3 ½ minutes.

1. [Do your part to stop the spread of flu at colleges and universities](#)
2. [Clean hands help prevent the flu](#)

Additional videos from the CDC can be viewed at [CDC Coronavirus Disease 2019 Videos](#).

Topics found there are:

1. What is Coronavirus Disease 2019?
2. What's my risk?
3. How to protect myself?
4. COVID-19 Stop the spread of germs

More updates and information will follow as needed.
