Year-round Scholarships

11.19. (CHE: Palmetto Fellows and LIFE Scholarships) A student may receive a Palmetto Fellows or LIFE scholarship award during the summer, in addition to fall and spring semesters of an academic year, provided continued eligibility requirements are met as of the end of the spring semester. Students must enroll full-time, which for purposes of the summer award will require enrollment in at least twelve hours over the course of the summer. The summer is defined as the period between the end of the spring term and prior to the opening of the fall term. The total summer award per student may not exceed half of the allowable academic year award up to the cost of attendance and must be reimbursed if less than twelve hours for academic credit are not completed by the student during summer sessions. If awarded in the summer, a student’s total award during his or her enrollment may not exceed the amount that would otherwise be provided under current semester limits applied for the scholarship awards. The Commission on Higher Education may provide additional guidelines necessary to ensure uniform implementation.

- All State scholarship programs use the SC UGP GPA for determination of eligibility. In order to use a transcript for scholarship eligibility purposes:
  
  **ALL transcripts must demonstrate a SC UGP GPA on the transcript**

  - Any transcript that states, “Weighted and Unweighted GPA” OR “Total GPA” will **not** be accepted for the purposes of awarding state scholarships as it must comply with the SC UGP.
    - LIFE Scholarship: 62-1200.10
    - Palmetto Fellows Scholarship: 62-320

- For the purposes of awarding State scholarships, should it be determined that an high school’s grading scale deviates from the SC UGP, the institutions shall contact CHE to determine the student’s SC HOPE/LIFE Scholarship eligibility.
High School Transcripts: Date & Rank Reports

- On all final transcripts the “date calculated” must be between the date of the high school graduation (May-June) and no later than June 15\textsuperscript{th}.

- For LIFE Scholarship eligibility, rank is based on the SC UGP which is calculated at the end of the 12\textsuperscript{th} grade spring semester only (no later than June 15\textsuperscript{th})

- Any rank report submitted (if applicable) needs to be dated in accordance with the June 15\textsuperscript{th} date.
Electronic Transcripts

- CHE is currently working with the SC Department of Education (SC DE) to address transcript issues for scholarship eligibility for those transcripts submitted electronically.

- SC DE held a meeting to review the submitted transcript issues.

- Should it be determined that transcripts submitted electronically are eligible to be used for scholarship purposes, institutions will be notified. At that time, institutions will be able to move forward and award State scholarships to those students who submitted electronic transcripts.
