FREEDOM OF INFORMATION ACT (FOIA)
POLICY AND PROCEDURES

The South Carolina Commission on Higher Education is a public body, as defined by the South Carolina Freedom of Information Act (FOIA) [§§ 30-4-10, et seq.]. Per FOIA provisions in state statute, the Commission’s public records are open to, and available for, public inspection.

FOIA defines public records as “all books, papers, maps, photographs, cards, tapes, recordings, or other documentary materials regardless of physical form or characteristics prepared, owned, used, in the possession of, or retained by a public body.”

Exempt public records, as made thus under the state FOIA provisions and the federal Family Educational Rights and Privacy Act (FERPA), will not be disclosed. To read the complete statutory definition of exempted public records, please consult the full legislative text:

The Commission on Higher Education has statutory authority to charge for minimal search and reproduction costs. (Costs include, but are not limited to, all reproduction costs and actual employee compensation.) The Commission may determine that the public interest is served by a waiver or reduction of fee. All such decisions will be made by the Executive Director.

Except as otherwise provided for under the state FOIA provisions, all requests for South Carolina Commission on Higher Education public records must be made in writing, and must be submitted in person, by mail, by email or by fax.

Please use the following letter format for making official FOIA requests with the South Carolina Commission on Higher Education:
