Chapter 62
State Commission on Higher Education
Article I
Licensing Nonpublic Postsecondary Educational Institutions

62-23 Fees.

A. Initial and annual institutional license fees are one-half of one percent of the actual or expected gross income of the licensed program(s), but not less than one hundred fifteen dollars or more than five thousand dollars per location. Gross annual income is computed after a normal tax accounting year of an institution. Any tuition earned for licensed programs during that twelve-month period shall be included as the gross annual income. The only expense that can be deducted from gross tuition is refunds made to students. For out-of-state institutions licensed to offer their program(s) to residents of the State, gross income means that income generated from students enrolled in the State.

B. Late filing fees are as follows:

(1) An institution submitting its application for renewal or its annual periodic reports more than five business days after the due date shall be assessed an additional charge of ten percent of the institution's annual fee for each five business days the report is past due, but not less than fifty dollars for each five-day increment, not to exceed one-hundred percent of the annual fee. If the renewal or annual report is submitted by the due date but is incomplete, the Commission will notify the institution and establish a specific date by which the remainder of the report must be submitted. If the remainder of the report is not submitted by the established date, the Commission may reactivate the late fee.

(2) The Commission may waive or reduce the late fee in case of mitigating circumstances as determined by the Commission.

C. Amendment of license to move an existing location or site: \$60

D. Amendment of license for each additional program or site: one-half of one percent of the projected additional gross tuition income for the first year, but not less than fifty dollars or more than two-thousand five hundred dollars per program. For out-of-state institutions licensed to offer their program(s) to residents of the State, gross income means that income generated from students enrolled in the State.

E. Re-issuance of license for program name change or institution name change: \$30.

F. Initial and renewal of agent permit: \$30.

G. Re-issuance of agent permit: \$10.

H. All fees shall be submitted at the time of application and are nonrefundable.

I. The Commission may assess a fine for failure to respond in a timely manner to a request from the Commission for information or for repeat violations involving deceptive trade or sales practices or advertising. In assessing a fine, the Commission must consider the nature of the violation and whether the institution has a history of infractions. A fine may not exceed one thousand dollars per year, and if the institution does not pay the fine within 30 days of written notification by the Commission, late fees may be assessed as described in this section, or the Commission may proceed with revocation of the license.

J. All fees shall be paid by check or money order payable to the "South Carolina Commission on Higher Education."

K. The Commission may periodically adjust fees based on the consumer price index or other appropriate indicator.

Purpose for Which Funds Were Expended by Agency

The South Carolina Nonpublic Post-Secondary Institution License Act authorizes the Commission to be the sole authority for licensing nonpublic educational institutions established in South Carolina and for those established elsewhere which want to operate in or confer degrees in this State, and permits the Commission to set reasonable fees for the administration of these activities. In addition, the licensing group administers the State Authorization Reciprocity Agreements (SARA), which is the voluntary, interstate reciprocity agreement that establishes comparable standards for interstate offering of postsecondary distance education. The Commission approves or disapproves participation in these agreements by accredited degree-granting institutions of higher education in this State, and is authorized to establish fees to be paid by participating institutions to cover direct and indirect administrative costs incurred by the Commission.

Amount of Funds Transferred to the General Fund or to Another Entity

Licensing fees are not transferred to the General Fund or to any other entities.
