

About College Decision Day

What is College Decision Day South Carolina?

The goal of College Decision Day is to recognize high school seniors for their postsecondary plans and encourage younger students and families to prepare early for postsecondary education. College Decision Day is held annually on or around May 1 and is designed to coincide with the date that most seniors must inform a college of their plans to enroll.

College Decision Day is inspired by the NCAA's National Signing Day to reinforce that excellence in the classroom should be given as attention and recognition as excellence in athletics. NCAA's National Signing Day is when high school seniors sign a letter of intent to play sports at a specific college. Traditionally, student-athletes participate in press conferences and signing ceremonies to announce their intent to attend a college. The goal of College Decision Day is to generate this excitement for ALL students going to college regardless of their participation in a sport.
