College and Career Decision Day Toolkit

How to Celebrate

There's no one right way to celebrate College and Career Decision Day.

Here are just a few suggestions to get you started:

- Host a College and Career Decision Day Spirit Week. Each day is a different theme like "Class colors," "Future Career Day," and more.
- Invite high school alumni, college and trade school representatives, or a keynote speaker to speak with your students.
- Get ninth, tenth, and eleventh graders involved, too! Ask them to create a Common App account and add 5 colleges to their list to start researching schools.

Celebrate on Social Media

- Using social media is a fun way to highlight your students and their accomplishments. Encourage students to share photos and videos of themselves wearing college gear and holding signs to celebrate the day.
- Post them on Twitter, Facebook, and Instagram with the hashtag #SCHigherEd and #CCDD25. Tag @SCCANGO in your posts so that we can follow along with your celebrations!
